

Message for Parents on High School Selection Page

Because of the elimination of state transportation funding proposed by the Governor for the 2012-13 school year, the shuttle bus service currently offered between three of our high schools may not be offered next year. Families should consider their own transportation alternatives when making their choice for high school enrollment.

We are evaluating our options for next school year. Please check back on the SDUHSD web site (www.sduhsd.net) or the District's Facebook page (www.facebook.com/sduhsd) for updates.

Message for Middle School Parents and Students

Because of the elimination of state transportation funding proposed by the Governor for the 2012-13 school year, home-to-school school bus service may not be offered next year. Families should consider their own transportation alternatives when making their choice for middle school enrollment.

We are evaluating our options for next school year. Please check back on the SDUHSD web site (www.sduhsd.net) page or the District's Facebook page (www.facebook.com/sduhsd) for updates.
