

Torrey Pines High School

A National Blue Ribbon School & California Distinguished School

Our Students, Staff, and Community are Amazing—Here are a Few Examples of Why We're So Proud:

☐ *TPHS students have among the highest API scores in the county-881. The Washington Post and Newsweek Magazine ranked TPHS among the best comprehensive high schools in the United States.*

☐ *Last Spring, more than 1,000 students took over 2,400 Advanced Placement exams for college credit with an impressive 84% pass rate.*

☐ *More of our students are named "National Merit Scholars, Finalists, and Semi-Finalists" than any other school in San Diego County.*

☐ *TPHS students are well-rounded, connected, contributing members of our community. They engage in extra-curricular opportunities through sports, visual and performing arts, academic teams, and over 100 clubs.*

☐ *We have had the most successful athletic program in the North County for the past 3 years in a row.*

☐ *Our journalism students produce nationally top-ranked products with our literary magazine, newspaper, and yearbook. They won the prestigious Pacer Award and were recognized for having the best Literary Magazine in the United States.*

☐ *Our Foundation generously supports our students' extra-curricular interests and supports all students through the Shared Vision. It's also a great place to get involved and volunteer at our school as a parent.*

☐ *Support is available for our students through Peer Assistance Listeners (PALs), our Counseling Department, our College & Career Counseling Center, the Tutoring Network, our Mentor Program, Challenge Days, and our Intervention Team.*

☐ *Our academic program is strong, balanced, and offers choice: nearly 30 AP offerings, an AVID program, English Learners, and Special Education Program. Newer programs include Online Learning for College Preparatory credit and Mandarin Chinese.*

"We want our students to thrive and engage in the high school experience to be balanced, well-rounded, and contributing leaders in our world!"

We Welcome YOU to become a Part of this Special Family—TPHS. Join us on Choices Night: February 27th, 6:15 p.m. in our Gym!
