This is the first meeting so we would like to get as many people as possible aware of it. Meetings will generally have food and we will play games but it will also be time for people to talk and interact with each other. We have a couple different rabbis and several other guests who will often come to share Jewish culture, news, customs, etc. This club is intended for Jews (of any movement) but we will welcome anybody who is interested in socializing with Jewish people, learning about Judaism, or sharing something with CCA's Jewish community.
- Congratulations to the following students who placed at this past weekend's Novice Debate Tournament at Helix High School.
