Farewell to Ms. Stroud

CCA Thanks Staff Members for their Contributions to Education!

At the conclusion of the 2010-11 school year, Canyon Crest Academy will say goodbye not only to our graduating class of 2011, but to some other important members of our Raven family as well: Assistant Principal **Barbara Stroud** and teacher **Bob Hoff**. After 13 years with the San Dieguito Union High School District, four of which have been at CCA, and 35 years total spent in education, **Ms. Stroud** will be retiring at the end of the 2010-11 school year. CCA will also say goodbye to **Bob Hoff**, resident Surf Team coach, Surf PE teacher, PE Teacher and all around great guy retiring after 25 years in education! Here is a look at each of their storied careers.

Above: Assistant Principal Barbara Stroud. She will be missed!

Ms. Stroud was born and raised in the Lower East Side of Manhattan in New York City, where she attended the first public school built in Manhattan, PS1. After graduating from Seward High School, **Ms. Stroud** earned a degree from City College in New York City in Speech Pathology and Education and later a degree in Reading from Teacher's College. **Ms. Stroud** worked as a reading specialist and then taught elementary school before working in the New York City Public School District for 14 years teaching reading, mathematics, and language arts at several schools, including two alternative schools. After earning her degree in Administration from City College, **Ms. Stroud** moved to North Carolina where she worked as an Assistant Principal and oversaw important programs such as Advancement Via Individual Achievement (AVID) designed to support college bound students from low socioeconomic backgrounds, as well as Special Education, and Counseling. In February of 1998, after paying for her own ticket out to California for the interview, **Ms. Stroud** accepted a position as Assistant Principal at Torrey Pines High School, and began working there the following month. At TPHS, **Ms. Stroud** supported important programs like AVID, the English Language Learner Program, and was responsible for creating the school's Master Schedule. **Ms. Stroud** is especially proud of the success of TPHS's AVID program; thanks to her experiences working at the alternative schools in New York City as well as with AVID in North Carolina, **Ms. Stroud** was able to develop a great AVID team and a thriving program.

In 2007 **Ms. Stroud** selected to move to Canyon Crest Academy where she has served as Assistant Principal since. **Ms. Stroud** has especially enjoyed working with the fantastic teaching staff at Canyon Crest. She believes that CCA's teachers are student centered, willing to do whatever it takes to support their students academically, socially, and emotionally, and are open to trying new things to improve instruction. **Ms. Stroud** also appreciates the accepting nature of our staff and students at CCA. She has found that kids can truly be who they want to be here without the usual pressure of cliques, and therefore students feel more accepted. One of **Ms. Stroud's** greatest attributes to CCA is her unique devotion to students, always putting them at the heart of every decision. We will cer-

Principal's Corner

Dear Seniors,

Congratulations! You have just about finished high school. I know I speak for the staff when I say we have greatly enjoyed our years together with you and wish you the very best as you move on to your next life challenges. I would like to thank you for all you have done for our school. Be it your academic accomplishments, athletic achievements, or artistic accomplishments; you have always made the staff here incredibly proud. In addition, you helped define CCA in such a way that has made the community very proud as well. The stellar reputation CCA enjoys is simply because of the outstanding things you have done. Perhaps what I admire the most about all of you is the kindness you have shown each other over the years. You have created a high school culture that is incredibly accepting and truly unlike any I have ever seen. Whenever I ask a student, parent, or staff member (and I ask frequently) what is the best part of CCA, the answer is always the same: school culture. Thank you for that. So here's to you class of 2011! Let's enjoy a great senior week! Please behave (I can't help asking; I'm a principal), and I will see you all at the graduation ceremony for the final gathering of the last of the first!

Brian Kohn

Our fearless leader, Principal

ASB Activities

What's happening around campus

Clubs: On May 26, we had the second Club Sandwich of the 2010-11 School year. Clubs had the opportunity to bring off campus vendors onto campus to fundraise. We had delicious food from In-n-Out, Rubios, Dip n' Dots, Pizza, Jamba Juice, Board N' Brew, and much more! It was delicious and a great time.

Dance committee: Prom 2011 "masquerade ball" was on June 4th at the Manchester Grand Hyatt from 7-10pm.

Envletix committee: We end the 2011 school year having completed two events put on by our committee in order to promote school spirit and attendance at athletic and Envision events here at CCA. This semester we highlighted Softball and the Envision dance production Rebels, with free bread

sticks and a cupcake celebration.

Executive committee: Our Staff Appreciation Week was May 16-20. Staff members enjoyed breakfast, a luncheon, and a candy assortment and students had the chance to write a thank you "postcard" to any staff member announcing their appreciation. The Blood Drive was on May 19 and went very well! Thank you to everyone who donated and saved a life.

Lunch committee: Thanks to everyone who participated in the Watermelon Eating Contest! The End of the Year BBQ is on June 10. Buy a combo of a hamburger, soda, and chips for \$5.

Outreach: Thank you for all who came out to the Swap Meet on May 14th! We had a great time, got rid of some junk, and made lots of money for individual vendors and clubs on campus! Do you want to help beautify our beaches and get Community Service Hours? Sign up for the Summer Kickoff Beach Cleanup on Sunday, June 12 from 8-12AM! You can sign up for a cleaning shift at 8:00, 9:00, 10:00, 11:00, or stay the whole time! You can sign up on the ASB door starting June 1. We would love to have a team of students participate, but parents and community members are always welcome.

Seasonal committee: We hope

you enjoyed CCA's first Prom Fashion Magazine.

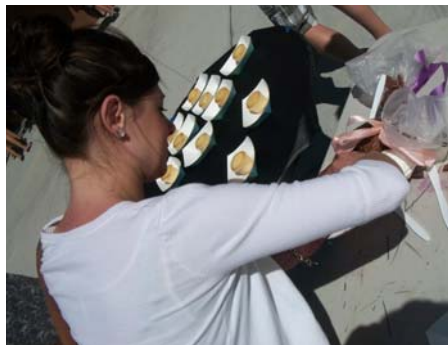

Senior committee: Thank you to everyone who came and helped out at the Spring Carnival, it was a huge success!

Make sure to buy a senior passport ASAP they are \$140 with an ASB card and \$150 without.

Special events: The Spring Dodgeball Tournament was May 17-20 and was a huge success! 14 teams that include both students and teachers competed while avid Dodgeball fans were able to come into the GYM and cheer on their favorite team.

Athletics News

The mandatory Fall athletic packet deadline will be August 3 & 4 from 8:00am-12:00 noon. Athletic packets will be accepted at the CCA Athletic Office located in Administration building. Please remember we will need a copy of your student's most recent report card (June 2011), a copy of health insurance card and an updated physical (dated after June 1, 2011) turned in with the packet. The athletic packet will not be cleared or processed if packet is incomplete when turned in.

Fall Clearance Cards will be available for pick up in CCA Athletic Office located in the Administration building on August 11th & 12th from 8:00am-12 noon.

Please keep in mind Fall sports begin on Monday, August 15 prior to the beginning of the academic school year. If your student athlete does not have a Fall Clearance Card, he/she will not be allowed to tryout. Please plan accordingly relative to the above deadlines, dates and Clearance Card pick up times.

2011 was a very successful year for the CCA Boys' Varsity Volleyball team. New to the Valley League this season, the team wanted to come out strong and make a statement about CCA volleyball. And that they did! The team went 9-1 in league and finished as Co-League Champions, only losing one match to San Marcos High School. The experience of the team's seven seniors and nine returners overall added to the strength and cohesiveness of the team this year. After a strong finish to the regular season, the Ravens were excited to participate in the CIF playoffs for Division III.

With a successful win against El Capitan in the first round, the team went on to face Mar Vista High School in the Quarter Finals, a team that had previously beat them in a late night tournament weeks before. With everything on the line, the Ravens came out on top with a fantastic 3-1 win. Progressing to the Semi Finals for CIF playoffs, the Ravens matched up against their cross town rivals, Cathedral Catholic High School. In a fan-packed gym at Cathedral, the Ravens played hard and came out strong against the Dons, but in the end fell 0-3 to end the season.

Walking out of the gym with their heads held high, the Ravens volleyball team ended their season with a successful 21-8 record overall. The team will miss their seven seniors next year but looks forward to another great season in 2012.

de.evolution wins championship!

CCA's Rookie Robotics Team Wins Division in Championship! Canyon Crest Academy's rookie robotics team, *de.evolution*, took first place in its division and second place overall in the worldwide FIRST Tech Challenge (FTC) robotics competition held in April in St. Louis, Missouri.

Based in Manchester, New Hampshire, FIRST (For Inspiration and Recognition of Science and Technology) is a non-profit organization founded in 1989 by inventor Dean Kamen that sponsors robotic competitions globally to motivate young students to pursue careers in science, engineering and technology.

Students were challenged to construct a robot to operate within a small area, gather batons, traverse over bridges and obstacles, and score points through depositing batons and balancing on field elements. *de.evolution* won its division handily with a spunky little robot, innovative programming and nimble maneuverability.

The four-day competition, held April 27-30, included an evening concert by the Black-Eyed Peas and featured will.i.am who gave robotics some star power with words of encouragement.

The Canyon Crest team members are: **Jill Farinsky** (10), **Meg Farinsky** (9), **Maia Kuspa** (10), **Ryan Lee** (9), **Annabelle Mercer** (10), **Tristan Murphy** (9), **Eric Nicolas** (10), **Claudia See** (10), **Yousuf Soliman** (9), **Nic Stone** (10) and **Noah Sutton-Smolin** (9).

The *de.evolution* team was supported by a number of local corporate sponsors, including: SAIC, ViaSat, Nordson Asymtek and Qualcomm.

de.evolution with their alliance partners who helped them win 1st place in their division.

CCA Places 1st in National Math Contest

Seattle, WA – May 16, 2011 – Canyon Crest Academy has some of the best high-school mathematicians in the country, as demonstrated by their 1st place finish in the 2011 Collaborative Problem-Solving Contest (CPSC), a national mathematics contest administered by National Assessment & Testing (<http://www.natassessment.com>).

While most math competitions encourage rote memorization, familiar problems, and quick mental reflexes, the CPSC presents schools with fifteen unique, intricate problems to be solved over the course of a week. Under the guidance of **Coach Brian Shay**, students worked together using brainstorming, collaboration, research, and technology to solve the problems, gaining experience with skills that will be critical in college and their careers.

The 2011 Collaborative Problem-Solving Contest included creative problems accessible to students of all abilities, such as one asking teams to find efficient ways to spell

out numbers by moving letter tiles on a game board. Other problems on the test started out simply, but progressed to some very difficult conclusions.

One such problem involved maximizing the profit for a traveling salesman. Maximizing the profit after a single day was fairly easy, but doing so over an entire week proved to be a very difficult problem. There was also a single open-ended problem that asked teams to submit what they considered a good cryptarithm problem, answer, and solution.

The entries were fascinating, with a middle school submitting the highest-scoring entry: several cryptarithms with multiple possible solutions, with the number of possible solutions decrypting to a web site leading problem-solvers even further.

In addition to their overall 1st-place recognition, Canyon Crest Academy was commended for having the highest score

on seven of the fifteen problems, including a difficult one involving an analysis of published data from the Kepler space telescope.

National Assessment & Testing administers high-quality mathematics competitions throughout the year that high schools can participate in through the mail. Their contests cover a variety of formats, including individual and team tests, as well as a variety of difficulties, from an easier 100 problems in 30 minutes to this more complicated 15 problems in one week.

To learn more about their contests, contact Tom Clymer at (206) 433-7320 or clymer@natassessment.com, or visit their website <http://www.natassessment.com>.

Envision News

Envision Theater was out in the elementary schools touring an original children's theater play, *The Amazing Adventures of James and Sabbina* (pictured below). This show was the phenomenal result from the drama production class. We'll be back again next year!

Envision Music was honored with the Grammy Signature School Enterprise Award on June 1 (Pictured below). This award comes with a \$5500 grant that will be put toward the cost of our Gamelan Orchestra. Only 26 schools from across the country made it through the rigorous application process to be awarded the distinction of becoming a Grammy Signature School. This is CCA's first Grammy Signature School Award. CCA was a semi-finalist in 2008 as well.

Completely separate of this great event, the Grammy Foundation is also bringing us a Grammy Career Day on June 7 where three industry professionals will come and speak to our 4th period classes about a variety of career paths within the Music field.

Envision Cinema

The **CCA STUDENT FILM FESTIVAL** hosted by Envision Cinema Conservatory, was held on May 21, along with the Envision Visual Arts show. Student films were recognized in five categories as well as an overall winner and audience choice winner. Envision Cinema also raised \$700 for the Tuscaloosa City Schools Disaster Relief Fund, to help students impacted by the April 27 tornado in Tuscaloosa, AL. **Envision Cinema Coordinator Mark Raines** worked in the Tuscaloosa City Schools before coming to CCA. The film festival winners are as follows:

Best Comedy, *Seymour's Tree*. **Zac Brown, Brice Lampe, Amanda Cowles, Alex Powell.**

Best Documentary (Tie), *Shelter*. **Jordan Raoufpur, Kia Zomorodi.**

Best Documentary (Tie), *Tomorrow and the Next Day*. **Sam Sarokin, Amanda Cowles, Olivia Klatch, Brice Lampe, Jordan Raoufpur .**

Best Drama, *Perspective*. **Andrey Misyutin, Daniel Osterman, Sam Engel.**

Best Experimental, *Anteater*. **Daniel Osterman, Andrey Misyutin, Alex Mueller, Zac Brown, Matt Britt.**

Best Music Video, *Brick Beat*. **Adelyn Chan, Josh Masters, Richard Liu, Nick DeMarco, Alvin Liu.**

Overall Winner, *Unfaithful*. **Jacob Morrison, Jesse Ostroff, Catie Ellwood, Alex Powell, Sam Engel.**

Audience Choice, *Tomorrow and the Next Day*. **Sam Sarokin, Amanda Cowles, Olivia Klatch, Brice Lampe, Jordan Raoufpur.**

NATURAL HIGH VIDEO CONTEST. For the 2nd year in a row, CCA Envision Cinema has won the national Natural High PSA contest. Sponsored by Natural High®, Producers of NATURALHIGH.TV and the educational Natural High® DVD Series, the national contest asked young people to express via video, picture or essay their Natural High (activities they enjoy) and how using drugs and alcohol could keep them from pursuing their Natural High to the fullest. The winning video in the High School Video Category was a group entry belonging to CCA students **Sam Cook, Jack Parzaile, and Brice Lampe.**

To view the winning entries and learn more about Natural High® visit www.naturalhigh.org/contest.html.

REEL VOICES PROGRAM. Envision Cinema Student **Alex Powell**, a CCA sophomore, was just selected as one of ten students to participate in the San Diego Asian Film Festival Reel Voices Program. This intense, 12-week summer internship helps students become socially conscious storytellers, learn Final Cut Pro editing, and experience all stages of production and post-production. Students receive a \$500 scholarship for their work, which premieres at the annual San Diego Asian Film Festival in October.

The films are also packaged onto a DVD and travels to other film festivals around the country including Los Angeles Film Festival, Urban Visionaries, Asian Cinevision, and Human Rights Watch International Film Festival. Reel Voices films are also available free On-Demand on digital Time Warner Cable, channel 144.

Senior Week Schedule

Monday: LAST DAY OF SCHOOL!!! Senior check-out (see bulletin for specific information). Senior Sunset : 6 pm – 8 pm. Summer kick off BBQ in upper quad seating area next to the cafeteria.

Tuesday: Check in with 1st period teacher no later than 8:00 am. Disneyland: 8:30 am to 10 pm. Head to the student parking lot to board buses –Please have your student ID card with you. **LOOK FOR** the bus sign up list during the 1st week in June. You will be able to sign up for a specific bus with your friends ONLY if you have PREPURCHASED a passport. Students are required to ride the bus to/from Disneyland to receive their Disneyland ticket. Buses leave CCA @ 8:30. We will NOT wait for late students.

Wednesday: Check in with Period 2 teacher by 10:30. Senior raffle: pick up Grad Nite shirt (If you purchased a grad nite ticket) and a senior raffle ticket in the lower amphitheatre. Raffle starts at 10:45. Senior Dance: 7 pm – 10 pm. Last dance of high school at the Hilton Del Mar.

Thursday: Check in with period 2 teacher by 11:15 am. Roberto's lunch: 11:30 am. Pick up burrito lunch in the lower Amphitheater. Then mandatory graduation rehearsal starts at 12:30 pm in the amphitheatre. Cap and gowns will be distributed after graduation practice.

Friday: GRADUATION! 1:30 pm- CCA Athletic Field. Report to the amphitheater at 12:30 pm to line up.

Cont. from cover story..

tainly miss her patience, joy, and love for education that she has shared with Canyon Crest.

Bob Hoff was born in Los Angeles, CA, and moved to San Diego during the fourth grade. A product of Earl Warren Middle School, **Mr. Hoff** began teaching in 1986 at Earl Warren! He recalls that he “used to get a kick out of telling the parents that the locker room was the same as when [he] was there as a student,” which was largely true! **Mr. Hoff** was drawn to education after enjoying his experiences working with kids through summer camps, as a swim instructor, and a swim club

coach.

Always up for a challenge, **Mr. Hoff** has taught a wide variety of subjects throughout his career including Physical Education, Health and Life Education, Earth and Life Sciences, and Psychology. The past few years of his teaching career, **Mr. Hoff** also served as the CCA Surf PE teacher and coach, and especially enjoyed spending

Above: Mr. Hoff with some delicious holiday cookies for the staff cookie party.

the first part of each day on the beach at 15th Street in Del Mar! His hobbies including “surfing, surfing, and surfing,” as well as photography and gardening (edibles only), all of which he plans to do more of during retirement.

Thank you to both **Mr. Hoff** and **Ms. Stroud** for your dedication to Canyon Crest Academy and its students! We will miss you both and wish you the very best as you begin the next chapter of your lives!

Canyon Crest Academy Recognizes...

- On June 2, the Japanese and Sculpture classes collaborated to have a tea ceremony. Sculpture class create tea sets that were used during the traditional Japanese Tea Ceremony conducted by the Japanese classes. Students discussed traditions and methods of techniques within both disciplines. The experience brought the two arts forms together to create a memory that students will carry with them for years to come.

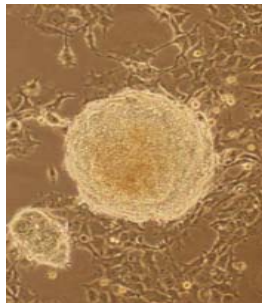

Above: Mr. Quinn demonstrating the Japanese Tea Ceremony

- At the 2011 Greater San Diego Science and Engineering Fair in March, a project by **Samy Achour** was chosen for recognition by the San Diego chapter of the Human Factors and Ergonomics Society (SD-HFES). SD-HFES is a professional group comprised of members who have an academic

or occupational interest in human interaction with systems and devices of all kinds. For his project, "Cost Affordable Touch screen White-board For Schools & Disabled Students" **Samy** used Commercial Off-the Shelf Technology (COTS) to provide easy access to a touch screen whiteboard, improving the means of interaction for a target group of users. The judges were also impressed with **Samy's** presentation of his project and his willingness and ability to answer questions.

- This year we a small group of students compete in the University of Toronto National Biology Competition, which incorporates both the USA and Canada. As a school, we finished 2nd, behind Thomas Jefferson School for Science and Technology in VA. Wow! Please congratulate the following students, especially **Michelle** (who finished 10th overall) and **Anthony** who finished 21st overall. CCA does it again....These students of ours continue to wow. **Michelle Xie, Anthony Tokman, Michael Chen** (top 60), **Alisa Tang** (top 80), **Manita Singh** (top 90), **George Wang, Vaishnavi Rao, Angela Guo, Omid Rhezaii, Courtney Hesse**

- In Quest Research Methods, a group of 31 students all successfully grew human stem cells (Induced Pluripotent Stem Cells) and differentiated them into different tissue types. With the help of **Dr. Haas** from UCSD, the students at CCA learned how to grow these mammalian cells on their own, one of many ways we have prepared the students for a future in research. (picture right) Only at CCA.....Come see what all the fun is about!

- Students from around the world, representing 65 countries, gathered for the 62nd Annual International Science & Engineering Fair sponsored by Intel. The 57th Annual Greater San Diego Science & Engineering Fair (held March 21–26, 2011, in Balboa Park) selected 8 Sweepstakes winning students and escorted them and their projects to the INTEL INTERNATIONAL SCIENCE & ENGINEERING FAIR last week; these students came home from this prestigious event with a total of 13 awards! Only 25% of the 1,500 students who participate at ISEF win an award. This year, 100% of our San Diego students were presented with awards at ISEF! Our students received 9 special

awards and 4 grand awards. In addition, two students from our San Diego Fair advanced through the CA State Science Fair to ISEF with their team project. They ALSO earned an award! Score: San Diego 100%! During this difficult era when there are questions and doubts about the future of education, of our country, and of our world, we see the young people of the Greater San Diego Science & Engineering Fair - and their counterparts throughout the world - as the promise of tomorrow.

- ISEF Awards for San Diego Student **Vaishnavi Lakshminarasimha Rao**, 15, Canyon Crest Academy, San Diego, California. Teacher: **Wendy Slijk**. Title: *Regulation of Nitric Oxide Expression as a Form of Neurotransmitter Plasticity*. ISEF 2nd Place Grand Award \$1,500. American Association for Clinical Chemistry -- Third Award of \$500. American Physiological Society -- Third Award of \$500. Office of Naval Research on behalf of the United States Navy and Marine. Corps Tuition Scholarship Award in the amount of \$8,000
- Project advanced to ISEF through CA State Science Fair, **Danielle Nguyen**, 17, Canyon Crest Academy, San Diego, California and **Michelle Xie**, 16, Canyon Crest Academy, San Diego, California. Teacher: **Michael Remington**. Title: *Sonification: Differentiation of Multiple Data Streams* (Team Project). ISEF 4th Place Grand Award \$500.

Cont. from athletics..

- Charlotte Kuzminsky** finished in 3rd place 800 meters at the state finals tonight in a time of 2:09, a fantastic accomplishment. Go Ravens!
- The boys and girls track teams had an excellent year. We didn't win league but we had more CIF qualifiers (17) than ever before. We had 22 school records set, highlighted by **Charlotte Kuzminsky** in the 800 meters winning CIF division 2 and qualifying for the state championships. Other great accomplishments are as follows: **Anne Charles** 1600 meters 5:03, **Eric Mintz** 3200 meters 10:18, **Colton Frapwell** high jump 6 feet, **John Rodriguez** long jump 21' 9", **Ashley Chen** Triple jump 32'10", **Simon Duvinage** pole vault 14'5", **Olivia McGuigan** pole vault 9'3", **Chase Peterson** 300m hurdles :40.7, **Fiona Flumian** 300m hurdles :48.3, **Charlotte Kuzminsky** 400 m :57.34, **Lauren Adams** 100m and 200m :12.77/:26.11, There were many records set in relays most impressive the girls 4X400 meter team won the league championship race qualifying for CIF with a time of 4:04.8 (**Charlotte Kuzminsky, Anne Charles, Lauren Adams and Rachel Duong**). It was a great year and **Coach Chuck Hayden, Coach Ted Thompson** and all of the other coaches are very proud of our team.
- CCA Swim And Dive are 2011 Girls and Boys Valley League Champions! **Annabel Tomes** is Valley league Female Swimmer of the Year and **Matt Briscoe** is Valley League Male Swimmer of the Year. The girls team finish 5th at CIF Championship with 10 school records broken over a total of 12 events. **Annabel Tomes** defended her CIF title and also broken the CIF record in the 50 Free. The boys finish a respectable 12th place (over 30 schools were competing). In our first year with a Dive team, CCA qualified 2 divers to CIF. **Annabel Tomes** has made High School Swimming All-American, the highest honor for the nation high school swimming. **Nico Kintz, CCA Swim and Dive Head Coach**

June 2011-Happy summer!
