

School Site Council Parent Nomination Form

What is the Canyon Crest Academy Site Council?

The School Site Council is an elected group of parents, teachers, students and staff working together to improve our school's educational programs. School site councils were developed in response to California law, which requires them to allocate and monitor the School Improvement Grant, Gifted and Talented Education funding, as well as to develop and oversee the School Plan for Student Achievement.

At Canyon Crest Academy, Site Council members are also responsible for keeping informed on legislative changes affecting education and advising the administration on important campus issues.

"I always felt incredibly well-informed about my student's education by being on the Site Council. And as a parent, I really felt my voice was heard whenever I had questions or concerns."

--Former Site Council member
