

# Welcome to Envision: The Arts at CCA!

We are anticipating another exciting year of arts education at CCA. For the 2009-2010 school year, Envision: The Arts at CCA will again offer more than 45 elective classes during the school day as well as the after school Conservatory in six disciplines: Cinema, Dance, Digital/Fine Art, Instrumental Music, Theatre, and Vocal Music.

In order to continue offering this extraordinary breadth of electives and our extensive Artist in Residence Program, for Envision day classes and Conservatory, we are asking every family with a student enrolled in Envision to contribute financial support to the Program. Our expectation is that every family will cover the cost of their child's participation. This year, in response to parent request and the need to self-fund classes, you should specifically designate your contribution to one or more of the six disciplines of Envision.

Attached is a list of all of the Envision classes that will be offered each term, along with the cost per student per term to participate. Please note which classes your student will be taking and stop by the Envision table during Raven Readiness Days to make your contribution. Payments will also be accepted online at [www.canyoncrestfoundation.org](http://www.canyoncrestfoundation.org) and by mail.

We are very proud of Envision and the amazing student artists in our program. Please consider the idea that your contribution makes a clear statement about the value your family places on arts education and the CCA Envision family.

Sincerely,  
Beth Mercer  
Envision Liaison, Canyon Crest Academy Foundation
