Canyon Crest Academy Foundation, Inc. is a 501(c)(3) nonprofit organization. Contributions are tax deductible to the extent allowed by law.

Dear Canyon Crest Academy Families,

It is my pleasure to serve as president of the Canyon Crest Academy (CCA) Foundation for the 2009-2010 school year.

The CCA Foundation is a nonprofit, parent volunteer organization dedicated to realizing CCA's educational programs and priorities through financial, volunteer and community support. The Foundation raises the funds necessary to support the spending priorities determined by CCA's principal and staff, primarily through parent donations. We also collaborate with students, parents, staff and the local community to assist CCA with its volunteer needs, but our primary objective is fundraising.

Our financial goal for the 2009-2010 academic year is to raise \$600,000 to bridge the gap between public funding and CCA's needs. The \$600,000 will enable our school to continue to offer the exceptional educational opportunities that are the hallmark of CCA.

Beginning this year, you have the opportunity to select from among seven giving categories. You will also be able to direct your contribution to a specific Envision discipline or athletic team for the first time. We will be asking every family that participates in Envision or plays a CIF sport to cover the cost of their student in that program. An overview of Envision donation amounts is included in your Raven Readiness Pack, and donation information, by sport, will be distributed in the Athletic Packets.

Please visit the Foundation's website at www.canyoncrestfoundation.org for more information on our giving categories, contributing online, volunteer opportunities and our Legacy Wall. As members of the CCA family, I encourage you to become actively involved in one of the finest high schools in San Diego.

Sincerely,

Bob Nascenzi
President, Canyon Crest Academy Foundation
