

## MATH PLACEMENT TEST OAK CREST MIDDLE SCHOOL

All new students entering Oak Crest Middle School from **private or out of area schools** are asked to complete a Math Assessment to help us determine the appropriate level of math placement. The math assessment will be administered on the following dates:

Wednesday, August 17<sup>th</sup> @ 10:00 am

OR

Wednesday, August 24<sup>th</sup> @ 10:00 am

Please keep in mind that this is a timed test. Testing will begin promptly at 10:00 am and the entire process should last about an hour. Please report to the Oak Crest counseling office.

(If your student is entering Oak Crest Middle School from the Cardiff Elementary School District or the Encinitas Elementary School District he/she will be taking this test at their elementary school later this school year).
