

News

News, events and resources for students, parents and the Torrey Pines community

March 28–29: Late Start Days

WASC groups meet.
Classes start at 9:15 a.m.

April 2–6: Staff and Teacher

Appreciation Week Sponsored by the Parent Volunteer Association.

Spring Break: April 9-13

See you back in class on Monday, April 16th, a 1-3-5 day!

Course Selection Deadline: April 6

Current students return worksheets to the counselors in English classes. For incoming 9th graders, completed materials will be collected the first week of April by TPHS counselors visiting the middle schools. Last date to change selection is June 1.

April 19: Campus Tour

Meet at 8:15 a.m., Admin. Bldg.

April 18: Principal's Night 7:00 p.m., Lecture Hall

Join Principal Brett Killeen with your friends and neighbors as he addresses your questions.

Star Testing April 24-27th

See Test Schedule on p. 6.
Testing starts at 7:45 in period 4 classes.
Classes begin at 12:20 p.m.

Torrey Pines Captures First Place in Science Olympiad Again!

By Jo Ann Schorn
Olympiad Advisor

For the eighth year in a row, **Torrey Pines High School** took first place at the **San Diego Regional Science Olympiad**, winning 7 first place medals out of 23 possible. Torrey Pines now qualifies to advance to the State Competition on April 14th. Ninety amazing Torrey Pines students competed in the regional competition which was held on February 10th at Rancho Bernardo High School. This was the largest Regional Science Olympiad competition of any county in the United States. A total of 57 teams from 19 high schools in San Diego County participated in the day's events. This was the twelfth year that Torrey Pines has participated. The teams are organized and coached by dedicated parent volunteers. Science Olympiad competitions encourage team work and learning across a slate of events that are developed according to the national science education standards and other guidelines that are established by the National Science Olympiad Board and State Committees. Science Olympiad events are balanced among three broad areas of the Science Standards: 1) Science Concepts and Knowledge, 2) Science Processes and Inquiry Skills, and 3) Science Application and Technology. The events include the follow-

ing content areas: life science, earth/space, physical/chemistry, inquiry/nature, and technology.

Students built musical instruments, robots, airplanes, boomilevers, and other mechanical devices! All were tested the day of the competition. Students were tested in a variety of subjects including astronomy, rocks and minerals, entomology, remote sensing,

food science, ecology, epidemiology, and major science content areas. They used thinking skills and demonstrated applications in chemistry, physics, oceanography, circuitry, forensics, genetics, experimental design, health concepts, technical writing, and mathematical problem solving.

First Place Medal winners were: Brian Alford (2), Vivek Bhagwat, Michelle Chen (2), Victor Fan, Imura Haruka, Gilbert Hsyu, Nathan Koon, Kenneth Leung (2), Kevin Lo, Vimala Narasimhan, Haruyuki Sakurai, and Yasuyuki Sakurai.

Continued on p. 2.

Boys' Soccer Team: Winners, Despite Technicality

This winter, our boys' soccer team was having an exceptional season—winning the league title, and progressing through the CIF play-offs. Their goal was to become CIF champions, and they were well on their way. Along the way, however, we discovered that we had been playing one or more players that were not on the roster, and there was an eligibility issue. Because we played an ineligible player, we had to self-report our

issue to CIF and forfeit our standings in the play-offs, as well as our last two games of the regular season. This was most unfortunate for our student-athletes, because we know how much they have dedicated to the season and a sport they love. They were champions in the face of this adversity and we are very proud of them. True to their character and sportsmanship, they supported our other teams in CIF by being there for them and cheering them on—including our girls' soccer team when they won the CIF championship. We certainly do not want this to ever happen again, and new safeguards are being recommended and implemented to make sure that this goal becomes a reality. Should you have questions about this, or want to know more about these safeguards, please feel free to contact us.

Principal's Night

**April 18th
7:00 p.m.**

Join Principal Killeen at 7:00 p.m. in the Lecture Hall on April 18th. This is a great opportunity to meet the principal, find out what's happening on campus and ask questions!

Continued from p. 1.

Second - Fourth Place Medal winners were: Brian Alford (2), Brita Bookser, David Chen, Michelle Chen, Irene Cheng, Victor Fan, Stephanie Gerretson, Gilbert Hsyu, Kaitlin Kirkconnell (2), Regina Lam, Kenneth Leung, Philip Lin (2), Stephen Liu (2), Kevin Lo, Laura Loegering, Arden Madsen, Natalie Moffett, Haruyuki Sakurai, Yasuyuki Sakurai, Daniel Song, Christopher Wu, Caroline Yu, and Allison Zhao.

Fifth - Tenth Place Medal winners were: Amin Aalipour, Mostafa Al-Alusi, Alyssa Beck, Emily Cai, David Chen, Michelle Chen, Stella Chen (3), Michelle Chow, Albert Chung, Jacob Cole (2), Victor Fan, Oliver Fang (2), Whitney Fu, Angela Gao, Sally Gu, Harding Luan, Imura Haruka, Gilbert Hsyu, Prabhav Jain, Kevin Kim, Paul Ko (2), Nathan Koon, Ernest Lee, Philip Lin, Brandon Liu (3), Stephen Liu, Kevin Lo, Natalie Moffett (2), Vimala Narasimhan (2), Pranay Rungta, Haruyuki Sakurai,

Leonard See, Guhan Shastri, David Song, Myles Tamsen (2), Vanya Vesnija (2), Michael Wagner (2), Larry Wang, Sally Wang (4), Christopher Wu (2), Jian Yeung, Ling Yeung, and Jimmy Zhang.

Eleventh - Fifteenth Place Ribbon winners were: Amin Aalipour (2), Vivek Bhagwat (3), Brita Bookser, Helen Brown, Emily Cai, Jessica Chang, David Chen, Sam Chen, Irene Cheng, Ilya Gaidarov, Sally Gu, Catherine Ho, Prabhav Jain, Andrew Kim (2), Nathan Koon, Kai Kuspa, Regina Lam, Hyunsook Lee, Philip Lin, Brandon Liu, Stephen Liu, Olivia Petrocco, Samvit Ramadurgam, Aarthi Reddi (2), Jae Rho (3), Vanya Sergeev (2), Julie Sim, Risha Sinha, Vanya Vesnija, Larry Wang, Lucia Wang, Iris Wu (2), Jian Yeung, and Jimmy Zhang.

Other team members who contributed to the success of Torrey Pines were:

Amir Begovic, Varun Chaturvedi, Justin Chen, Miriam Choi, Christina Denning, Albert Gordon, David Khaw, Rachel Kim, Monica Ko, Ani Kumar, Spandana Myneni, Austin Pogue, Natalie Prussak, Jinyu Song, David Sun, and Jeffrey Tsao.

This great success was made possible by teamwork led by volunteer coordinators: **Loveena Bhagwat, Azmina Madsen, Jo Ann Schorn, Sandy Petrocco, and Christina Cheng,** and volunteer coaches: **Mansour Aalipour, Beth Abramson, Mahvash Ardakani, Michael Brown, Lianggui Chen, Siqi & Victor Fan, Lisa Gao, Ibragim Gaidarov, Xiaomin Gong, Will Harvie, Nina Ho, Clint Kirkconnell, Frankie Lam, Lisa Loegering, Aruna Myneni, Raj Pratha, Charles Prussak, Pani Ramadurgam, Jay Reddy, Masha Sergeeva, Yun Shan, Byeong Doo Song, Steve Wagner, Jim Wu, Sharon Wu, and Peter Yeung.**

accolades & Appreciation

Congratulations to the wrestling team, which placed 13th out of 80 schools in the San Diego Section Wrestling Championships! **Daniel Kwitkken** placed 5th at the tournament, and **Curtis MacKay** placed 3rd! **Curtis** then advanced to the state championships in Bakersfield, where he won 2 matches, which put him in the top 24 for his weight class in the state!

Anna Pold, Jessica Schmitt, and Kevin Balch recently traveled to the University of Texas at Austin to compete in the 2007 American Short Course Championship swimming tournament. Anna and Jessie were members of the winning 4x100 medley relay!

Bravo to **Gia Battista (12)**, who was one of the top 5 Finalists in the San Diego County English-Speaking Union Shakespeare Contest. The competition took place at the La Jolla Playhouse, Mandell Weiss Theatre!

Six students and math teacher, **Abby Brown**, gave a presentation at the Orange County Mathematics Conference in March. Their talk was entitled "Teaching and Learning with *Mathematica*." Brown shared her experiences using the software program with her classes and the students shared some of their own class projects. The conference coordinators were very impressed with the students' math and speaking skills and asked them to return next year.

Pictured left to right: **Jamie Ding (11), Samantha Patterson (12), Karen Ye (12), Kevin Zhang**

(12), Cindy Piao (12), Kenneth Leung (12), and Abby Brown.

Congratulations to the **Girls Soccer and Boys Basketball teams**, which won the Palomar League and went to CIF! Special congratulations to the Girls Soccer team for winning CIF!

Two TPHS Wind Ensemble students made it to the San Diego Youth Symphony Con-

certo finals! **Ilya Gaidarov** and **Kevin Qian** (both 9th grade clarinetists in the wind ensemble) in the San Diego Youth Symphony Symphonic Orchestra Concerto were in the finals Friday, March 2nd at the Neurosciences Institute. Ilya received 3rd place and Kevin received honorable mention.

Congratulations to the USA Biology Olympiad Semifinalists—**Phillip Zhang, Ernest Lee, Brian Alford and Rachel Ohman**. These students will continue competing for a chance to represent the US in an international biology competition. Way to go!

A problem gambling assembly was recently presented by the California Department of Justice in association with The Becker Institute, Inc., and the California Council on Problem Gambling. This new statewide program made its debut here at Torrey Pines H.S. (See recommendations on page 7.) A slogan contest was held in conjunction with the assembly, and **Michael Dearborn (12)** submitted the winning slogan:

"Your future — Don't bet on it."

The Best of the High School Press, an annual publication of the National Scholastic Press Association, featured two different special section spreads from the *Falconer* and the 2004-2005 1st place winning FirstFlight literary magazine. *Ideas That Fly*, a yearly publication of Herff-Jones, our yearbook publisher, honors about 20 yearbooks across the country for excellence in design, concept, copy, and photography, and the 2005-2006 *Free Flight* (our yearbook) is one of the yearbooks in this year's book. Bravo, **Journalism students!**

Please join us in recognizing these extraordinary staff members. Pictured left to right: Jayme Williams, Dawn Whalen, Diane Caron, and Thomas Hedgepeth.

Please congratulate the February Employees of the Month!

1. Thomas Hedgepeth - Business Teacher:

Thomas is a valued teacher who has garnered respect from colleagues, students and parents because of his work ethic, excellent organizational skills and impressive command of his content area. Thomas has developed a good rapport with his students and motivates them to succeed academically because they perceive him as fair, compassionate and student-centered. Thomas has been a welcome addition to our staff.

Jayme Williams - Counselor:

Jayme is the perfect complement to the counseling team and to our faculty. She works tirelessly to provide excellent individual and group counseling services to students and communicates well with parents, teachers and staff. Jayme is pleasant, accessible, resourceful, organized and articulate. She always wears a smile and sees the glass half-full even when she confronts challenging issues. We appreciate her dedication and service to our school.

Diane Caron - Attendance:

This is Diane's second year in the attendance office at Torrey Pines. We love Diane's work ethic, her commitment to kids, and willingness to do a job perfectly. She's got a wonderful attitude, is willing and open, and is always ready with a smile. Diane makes a wonderful addition to the attendance team!

Dawn Whalen - English Teacher:

Dawn is always researching ways to improve her instructional delivery, content knowledge and rapport with students. She is a compassionate teacher who thrives on helping students across the entire learning spectrum achieve academic success and build their self-esteem. We want to thank Dawn for her hard work and many years of service to our school.

Counseling Corner

April, 2007

By Linsy Glassman
Head Counselor

2007-2008 Registration Update

Counselors are currently visiting English classes to meet individually with students to review and collect Registration Contracts for next year. Please be sure to discuss your student's selection and sign the Registration Contract review as we will only be able to collect those with parent/guardian signatures. Your thoughtful attention to course selection helps ensure that your student is enrolled in the correct classes for next year.

The next phase of the registration process will begin soon, during which student requests will be tallied, teaching assignments will be determined and budget constraints will be assessed. Occasionally, some electives are cancelled due to insufficient enrollment. Students' choices of alternates will be used when their first choices are unavailable.

We will mail home a copy of each student's class requests during the month of May for a final review of these requests. Students wishing to change a course request need to let their counselor know by the June 1st deadline.

Schedules will be available during Readiness Days in August. Schedule changes will be made only for students who complete summer coursework or have to repeat a class next year that they failed or earned a D in this semester. Level changes may be possible if there is space available in the corresponding class.

Summer School: Courses out of district

Students, if you're interested in taking a course out of district during summer school you need to see a counselor before enrolling. You need to be sure that the class will transfer to Torrey Pines for credit and that you are within the 30-credit limit for outside classes. You must complete an "Off-Campus Class Permission" which is available in the Counseling Center. **After you complete the course, it is your responsibility to have the transcript sent to the Torrey Pines' Registrar in order to transfer the credits and grade.**

Would you like to be a PAL?

We need your help to make a difference in the lives of students on our campus! Peer Assistance Listeners (PALs) listen to students' concerns, give teen issue presentations, perform peer mediations, mentor new students and are involved in many other important and exciting activities. Listen to morning announcements or check the Counseling website for application information later this spring.

Career Expo

We are excited to announce the upcoming arrival of the 2007 TPHS Career Expo! Community members and professionals will be visiting TPHS on Thursday, May 31st from 11:00 a.m. to 1:00 p.m. to present information about their careers to our students through participating classes. All students will have an opportunity to meet with community professionals during lunch, where career booths will be set up, and a local radio station will be providing music.

This is an exciting and fun filled opportunity for our community to connect with our TPHS students. If you feel that your career is one that our students would be interested in learning more about, please contact Jayme Williams at jayme.williams@sduhsd.net or Brennan Dean at brennan.dean@sduhsd.net.

Course Selection Information for 2007 – 2008

Dates to Remember

- March 26-29** – Parent/Student Nights for incoming 9th graders — Opportunity to meet with a counselor one-on-one!
- April 6** – Submit class selection materials
- June 1** – Deadline to request changes to course selections

Course Selection Resources

- For information about registration events and deadlines: www.tphs.net
- For course profiles, graduation requirements, 4-year plan options and more, TPHS College Career Center, 755-0125, ext. 2410
- Your Counselor or current teachers!

MiraCosta College Placement Tests/ Orientation & Advisement for Seniors April 3, 2007

Seniors who are interested in attending MiraCosta College during the summer session or fall 2007 semester, can complete the ENTIRE matriculation process required of all new students in one day at the San Elijo campus. Students who complete the matriculation requirement early can participate in priority web registration and be among the first to register for summer or fall classes.

1. **Sign up** with the counseling secretary to attend the MiraCosta Placement Test.
2. **Complete an on-line application** for enrollment at : www.miracosta.edu. Click on the SURF icon, and then click on the words: apply online. **Print out the confirmation page and bring it with you on April 3rd, along with a picture ID and your social security number**, if you have one.
3. Take the math and English placement tests and complete the orientation and advisement session on April 3, 2007.
4. Lunch and bus transportation to and from TP will be provided. Bus pick-up is at 7:30 a.m. and return is at 1:30 p.m. **All students must ride the bus to take part in this special event.** Seating is limited, so sign up today!

Meet Officer Jacobsen

With the opening of the new Carmel Valley police substation comes a friendly new face to our campus, **Officer Jacobsen!** Though TPHP must share her with 16 other schools in Carmel Valley, she is working hard to help solve traffic problems, act as a deterrent to thefts, and serve as a mediator, among other duties. Officer Jacobsen is making her presence known on campus, and has already participated in the March 7th lockdown drill. If you see her on

campus or out in the community, please introduce yourself and let her know how happy we are to have her as **a new Falcon!**

Music Department Honors

The Wind Ensemble & Orchestra classes competed in the SCSBOA (Southern California School Band and Orchestra Association) competition @ El Camino High School in Orchestra on March 8 and 9.

- *The **Wind Ensemble** received an Excellent rating in the A level w/ a Superior rating for sight reading.
- *The **Orchestra** received an Excellent rating in the B level with a Superior rating for sight reading
- *The **Advanced Strings Class** received a Unanimous Superior in the A level with a Superior rating for sight reading.

All of our Band Classes participated in the Music in the Parks Festival on Saturday, March 10 at Western High School in Anaheim.

- *The **Wind Ensemble** received a 97.5% Superior Rating and won 1st place.
- *The **Symphonic Band** received a 92.3% Superior Rating and won 2nd place.
- *The **Concert Band** received a 89.5 % Excellent rating.

Congratulations to all our music students!

Our Chance to Soar!

A MESSAGE FROM PRINCIPAL KILLEEN

STAR Testing Season is Here!

Spring is a busy time at all high schools in California, and Torrey Pines is no exception. After Spring Break, we enter testing season, beginning with STAR testing and concluding with Advanced Placement testing. The STAR testing assesses students on whether they are proficient in state standards in English, math, social studies, and science. The results, coupled with how our students performed on the California High School Exit Exam, provides us with an Academic Performance Index (API). The school receives an API for all students, schoolwide, as well as for each subgroup. The subgroup data tells us

which groups of students are doing well, and which ones need extra help to close achievement gaps. Individual students will receive scores that will fall into one of 5 performance bands: "5" is Advanced, "4" is Proficient, "3" is Basic, "2" is Below Basic, and "1" is Far Below Basic. The state and the federal government expect students to score at least a "4" for Proficient. A formula calculation results in our API, and the statewide goal for all schools is a score of 800 or above. Last year, TPHS' score improved 11 points from 821 to 832. We have one of the higher scores in the area and state, and we are very proud of this accomplishment. The following is a

break-down of the high schools in our very competitive district, and their APIs:

Canyon Crest Academy	= 869
San Dieguito Academy	= 840
Torrey Pines H.S.	= 832
La Costa Canyon H.S.	= 806

Our STAR testing begins on Tuesday, April 24th through Friday, April 27th. Please make sure your student comes to school and does his or her best. This is a very short test window, but our message to students is, "Be here, do great, and then prepare for the AP tests!" Thanks for your support!

STAR Testing Schedule, April 24 - 27

Students will report to their PERIOD 4 class for each block of STAR testing.

All 9th, 10th, and 11th grade students will be tested.

Seniors do not report to school until the completion of STAR testing each day.

Students will not report to ZERO period from April 24 through April 27.

9th and 10th grade students will not report to school on Wednesday, April 25 until 9:50 AM.

9th and 11th grade students will not report to school on Friday, April 27 until 9:50 AM.

Tuesday, April 24	Time	Minutes
ELA 1 (Grades 9, 10, 11)	7:45 - 9:35	110
Break	9:35 - 9:40	5
Passing	9:40 - 9:50	10
ELA 2 (Grades 9, 10, & 11)	9:50 - 11:40	110
Lunch	11:40 - 12:10	30

Passing	1:45 - 1:50	5
Period 6	1:50 - 2:30	40

TORREY PINES HIGH SCHOOL SITE COUNCIL

By Elloise Bennett, School Improvement Program Coordinator

Site Council Update –

At our February Site Council Meeting, Principal Killeen shared that the February Choices Night had been a great success. We had large participation, with feedback from parents and students that a student panel would be helpful to include next year. CAHSEE exams administered on February 6 & 7 went smoothly with extremely good turnout, which will make CAHSEE make-ups in May very easy. CAHSEE make ups will be on May 8 & 9 and will only be for 10th graders who were absent or 12th graders who have not passed it. He also spoke about upcoming improvements to performing arts facilities, a project planned in conjunction with our district and the art boosters, and a new football locker room structure.

The Council also funded proposals totaling more than \$17,000.00 Those include: additional cameras and equipment for Mr. Chodorow's digital photography classes; additional computers for Mr. Brewer's Computer Assisted Drafting lab; materials for classes such as the AP Physics, AP World course, the grade 9 Reading Support course, grade 10 English and physics; sponsorship of 5 scholarships for low-income students to be able to participate in the annual Catalina Island trip of the Science Department; resources and funding for workshops for our new College and Career Center; additional laptops for the Media Center to allow students access to wireless internet when all stationary computers are taken; and substitutes to enable Ms. Brown and Mr. Hedgepeth to take students on a Hi-Tech Career Fair fieldtrip.

The council also heard reports on the progress of the GATEway study skills workshops, student government, the Parent Volunteer association, and the district Site Council. The district Site Council representative spoke about: Online registration for high school; Lottery March 16 for academies; Aeries access trouble at the end of the semester and how the District is planning on avoiding that in the future; phasing out bus system from high schools for middle schools; and new Earl Warren programs.

If you'd like to become involved, contact Elloise Bennett at elloise.bennett@sduhsd.net or join us for our meetings held every First Tuesday of the month, Room 205, at 2:45 p.m.

Math Class Receives New Computers

The Advanced Topics in Math II class received about 30 new computers in late February.

The Lenovo x60

Tablet PCs are a component of a partnership between TPHS, Wolfram Research,

Microsoft, and Lenovo. One tablet is checked out to each student for use in the math class, in other classes at school, and at home. The computers are complete with the latest software including Windows Vista, Office 2007, and *Mathematica*. Students can write directly on the computer screen and it captures all of their work electronically. The students will provide feedback to the partnership companies about using the tablets and software in a high school environment.

Recommendations from the California Department of Justice and the California Council on Problem Gambling during March 8 Assembly

If someone you know or love has a gambling problem:

Do stay calm and listen.

Do offer your support by attending a peer support group.

Don't chastise or belittle.

Don't gamble with them.

Don't loan them money.

Don't expect an immediate recovery.

The ASB is sponsoring an auction, raffle, and two basketball games featuring TP

staff vs. LCC staff (6:30 - 7:30 p.m.) and TP students vs. LCC students (8:00 - 9:00 p.m.) on April 19th in the TP Gym. Entertainment will be provided by TP and LCC Cheerleaders and the TP Dance Team. Proceeds from the event will benefit two children from the Make-A-Wish Foundation.

This is the 4th year the two schools have worked together on this event, and in previous years they have been able to grant the wishes of 6 special children through their efforts. Bring your friends for a wonderful evening! Admission is \$5 with ASB card, and \$7 without. Doors open at 6:00 p.m.
