Notes:

Friday , May 27, 2011 will be the final day that students may request class changes unless they fail a course or complete a summer course.

****Student and parent must sign the back of this form before the contract will be accepted as it confirms that the student and parent have read and understand all instructions listed on the back of this form and within the entire registration packet.**

2011-2012 Torrey Pines High School Registration Contract

Name: _____

ID Number: _____

THIS CONTRACT MUST BE SIGNED AND SUBMITTED BEFORE CLASS SELECTION IS FINALIZED!

- Students must sign up for a total of 6 classes with a minimum of 4 on campus classes and to include 2 classes per day. Classes selected on Aeries must be indicated on the Course Offering sheet, which will be submitted to your counselor. Keep in mind courses may be cancelled due to insufficient enrollment or staffing restrictions.
- Select courses carefully from the Course Offerings sheet. Review the Course Profiles on www.tphs.net before completing this contract and submitting your selections online through Aeries between February 8th and March 4th.
- **Students may only choose *courses*– not periods or teachers.**
- Seniors may be given preference in elective classes and in courses needed for graduation.
- **Friday, May 27, 2011 will be the final day that students may request class changes unless they fail a course or complete a summer school class.** A letter will be mailed home in mid May verifying your course requests. Please note this is not your finalized schedule.
- Students will receive their 2011-12 class schedule during Readiness Days in August. Mandatory schedule changes will be made for students who failed a course or completed an approved summer course.
- SDUHSD Board Policy sets a **four-week limit** at the beginning of each semester to drop a class without it reflecting on the transcript. Level changes (from Advanced Placement or honors to college prep) may be requested during this four-week period **if there is space available.**
- SDUHSD Board Policy sets a **four-week limit** at the beginning of each semester to add a course to replace a dropped course. To be effectively prepared and successful you should add this class in August during Readiness Days. To add a course, the change must: 1) improve the integrity of the student’s schedule for graduation or college eligibility 2) be an elective course, with space available and in the same period as the dropped course. Please note that after the first day of school, an administrator conference will be required for such a change and the student may be required to make up the missed work.
- A parent/guardian signature is required for a counselor to accept the registration contract.
- The parent/guardian signature indicates that you understand the registration contract and have approved your student’s course requests for the 2011-2012 school year. Keep in mind students can request a change to their course requests until **May 27th**. We encourage these changes to be a family process.
- No schedule changes will be made to class period order to accommodate off-campus classes or athletics.
- Off-campus classes are limited to 30 credits and will only be added to a student’s transcript if the course is pre-approved and an off campus form has been submitted to the counselor. Forms are available at www.tphs.net.
