To earn credit you will need to complete:

1. All of the module computer work like: Tutorials, Applications, and Mastery Tests successfully
2. All of the Offline activities (submit completed Offline activities to the teacher)
3. All of the Unit Posttests (these must be completed in class and will only be unlocked when all other work is complete for the unit)
4. Grade will be determined by: 70% Posttests/Semester Test (each posttest is worth 100 points and the semester test is 200 points), 30% completing items 1 and 2 above
