It's time to register for 2008-2009!

What do you need to know to be ready?

February will be the start of the registration process for Fall 2008. Like last Spring, the San Dieguito School District will be requiring all current and incoming high school students to select their high school of attendance via an online process. This process will be centralized through www.sduhsd.net/html/2008_reg_info.html where information including brochures for each site and other resources will be posted. **All current students and incoming 9th grade students must select their high school by February 19th.** To help make a school selection, join us for CHOICES Night, on February 6th, 6:30p.m. Students will be able to select one of the comprehensive high schools or apply for one of the two academies. Lottery selections for the academies will take place on March 4th.

What does that mean for students in terms of requesting courses for next year? Along with the selection website, TPHS will kick-off its Fall 2008 course request process in February. *This year TPHS is excited to announce that we will be the first school in the district to take advantage of the Aeries online course selection feature!* Students and

families will be able to request and submit those course requests online and make changes while the website remains open. This is a great way to not only minimize errors of data entry but also to prepare students for the same process at university and college level!

How will online course requesting work? Counselors will begin visiting English classes for current 9th, 10th and 11th grade students in the second week of February to share course offerings, explain requirements, distribute registration contracts and review the online process. Students will then be able to log into Aeries to submit their course requests. Counselors will return to classes to meet with each individual student to review their submission and collect their signed registration contracts. **PLEASE NOTE: STUDENTS OR FAMILIES MUST HAVE AN ACTIVE AERIES PORTAL ACCOUNT TO BE ABLE TO SUBMIT COURSE SELECTIONS.** (To activate your account, contact the Counseling Department by visiting www.tphs.net > Counseling). Incoming 9th graders will receive visits during the school day in their middle schools, and will be invited to attend our Student-

Parent Registration Nights on March 17-19. March 28th will be the final deadline to submit course requests online and to turn in registration contracts. Students will then have until May 30th to submit changes to their course requests by contacting their counselors. Having student course requests in as early as possible allows us to build a master schedule that caters to their needs and requests – make sure to submit early!

For more information, please review www.tphs.net and the Counseling Department frequently. **And remember, if you have not activated your student's Aeries Portal Account, do so now!** The Aeries portal provides copies of student attendance, grades, transcripts and more!!

Key Dates to Remember:

- Choices Night, February 6, 6:30 p.m., the gym
- February 19, School Selection Deadline
- March 28, Course request submission deadline
- May 30, deadline to submit changes to course requests

TUESDAY TALK WITH OFFICER JACOBSEN YIELDS VALUABLE INFORMATION

“Tuesday Talks” provide parents with a new means by which to learn about what is going on around Torrey Pines High School, hear guest speakers, ask questions of the principal, and suggest agenda items for future talks. At the first talk this fall, we shared information related to the upcoming “Challenge Days” which were January 8th – 10th, 2008. Officer Jane Jacobsen was our guest speaker at our most recent talk on December 4th. Information from that presentation is shared in this article, as well as the schedule for the balance of the year.

Officer Jacobsen is the juvenile officer assigned to the Northwest division of the San Diego Police Department. She serves eighteen schools in the Carmel Valley area, and is trained to work with young people. Some of the topics she addressed included:

- Driving safety
- Drugs and alcohol
- Parking issues before and after school
- Daytime curfew
- Lock-down drills
- The speed limit change on Del Mar Heights Road
- Trends in Carmel Valley
- Who to call when you need assistance

Because we have three large high schools on one street, we all need to be careful, especially during peak hours such as before school, and during school site release at the end of the day. The speed limit on Del Mar Heights Road has been reduced to 45 mph between school zones. Please work with your teen drivers to emphasize the importance of safe driving; accidents have occurred, and it can happen to anyone. In addition to Officer Jacobsen, two motor officers serve the area, and they will cite drivers for normal moving violations, in addition to parking violations.

We are all concerned about the number of vehicles who stop in the bike lane on Del Mar Heights Road for drop-off and pick-up. Please access the campus for this purpose via the main driveway or via the back lot and access road off of Torrington. Both are fairly

congested at peak times, so we are looking at possible changes to make it easier for everyone.

Some parents were concerned about off-campus parties in the area that may involve minors consuming alcohol and possibly drugs. Officer Jacobsen provided the parents with a number that they can call: (619) 531-2000. Our district has a program called READI, that is designed to help students and families with issues related to drug or alcohol abuse. The coordinator is Joe Oleski, and his contact number is: (760) 753-1121. She cautioned families to be careful what is posted on the internet, especially with respect to vacation plans, because that lets potential burglars know when you are going to be away from home.

Officer Jacobsen has consulted with us on several lock-down drills over the past two years, and this has been very helpful. The most important defense against such threats is open communication. Students need to feel comfortable telling a responsible adult that they are concerned about potential threats made against the school. If you ever hear anything that concerns you related to campus safety, please call us right away. Students are also encouraged to call CrimeStoppers (posters are around campus with this information) at (888) 580-TIPS. In the event of a real lock-down, we would secure all students, and law enforcement would take over. I would be responsible for communicating effectively with the staff, students, and the parents. Our new ConnectEd technology permits us to more effectively contact our families in a timely manner. We can reach about 3,000 contacts within fifteen minutes. We will continue to take our drills, whether they are earthquake, fire, or lock-down, very seriously! We are thankful to Officer Jacobsen and our caring community for ensuring that our students achieve at high levels in a safe, nurturing environment.

The schedule for the remaining “Tuesday Talks” is as follows:

- Tuesday, February 5, 2008 at 10:00 a.m.
- Tuesday, March 4, 2008 at 10:00 a.m.
- Tuesday, April 1, 2008 at 10:00 a.m.
- Tuesday, May 6, 2008 at 10:00 a.m.

Thanks again, and see you there!

Kudos to the TPHS **Academic Teams**, which placed 1st in California and 7th in the *world* in the Knowledge Master Open

computer contest on December 5!!! The field numbered 748 teams from all over the globe! Bravo!!!

More accolades for the **TP Varsity Academic Team**, which took 2nd place on December 8 at the USC National Academic Quiz Tournament! They won 9 out of 11 games, losing only to the 1st place Santa Monica team and the 3rd place Arcadia team. Competing in this event were **Auroni Gupta, Philip Lin, Kelly Tang, and Jeffrey Tsao**. Special congratulations to **Auroni Gupta**, who was the number one scorer for the day, accumulating 770 points!

Torrey Pines High School Cooking Club headed by **Cat Tracy** and overseen by Home Ec. teachers **Tina Hernandez** and **Lynn Cusey**, shared the Holiday spirit with the Senior Citizens at Brighton Gardens by presenting them with freshly baked and decorated cookies on December 17th.

NHS and **CSF** sponsored a Toy Drive and collected new toys for the Sudanese Learning Center in San Diego in December.

NHS also teamed up with Bells of Freedom, a nonprofit organization that sponsors over 80 military families each holiday season, to adopt a military family (with 4

children between the ages of 4 years and 1 month old) and provided an entire holiday dinner for the family. Pictured above is the military family with **Jenna Borok**, NHS Secretary and **Elise Ochenduszko**, club co-Advisor.

Many thanks to our wonderful parents (pictured above) who meet monthly to collate our newsletters! **Shirley Roeckel** has assembled a dedicated group of parent volunteers who stuff, staple, and label the newsletters for mailing. If you'd care to join in on the fun and fellowship, future collating dates are Feb. 28, Mar. 27, Apr. 24, and May 29, and all the fun takes place in the Media Center beginning at 8:30 a.m.!

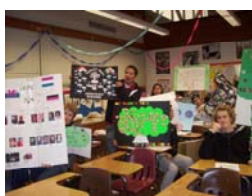

U.S. History Students Enjoy Family Tree Project

"The Family Tree project is an opportunity for students to learn about their immigration history," according to U.S. History teacher, **Elise Ochenduszko**. As part of the study, students were asked to research the origins of their first, middle, and last names. They studied immigration and focused on the early 20th century, when over 20 million European and Asian immigrants came to the United States.

Ms. Ochenduszko shared her family's story about immigrating to the U.S. from Poland, and **Mrs. Allen** shared her family's story of emigrating from South Africa. Students were asked to create a family tree (must be an original creation and presented creatively) and document their family's immigration to the United States. Since food is an important part of any unit on

cultural heritage, the students were also asked to bring a healthy dish to share along with a recipe card detailing how to make the dish and what is in it. A grand cultural exchange took place on December 19th when the students presented their Family Trees and their dishes to the class at the final presentation.

Pictured below: Period 3 students proudly display their Family Trees.

Assistant Principal **Elloise Allen** (pictured above), spoke to **Ms. Ochenduszko's** classes about her family's emigration from South Africa and the process of becoming an American citizen.

COMING SOON: COLLEGE NIGHT 2008

Mark your calendars for College Night on March 12th from 6:30-8:30 p.m. in Building B (Media Center). All Torrey Pines and Canyon Crest Academy students and parents are invited to attend this wonderful, informational evening with college representatives from across the country. Each college representative will present three thirty minute workshops on different aspects of the college application process. Examples of some of the topics are, "Writing the perfect college essay," "Choosing the college that is right for you," "Tips on college interviews," "What colleges are looking for in a student" and "Preparing for the admissions

process before your senior year." Students and parents are encouraged to arrive early in order to review the program and decide which presentations to attend.

A few schools who have attended in the past are: California Institute of Technology, Cornell University, Fashion Institute of Design and Merchandise, Gonzaga University, Hawaii Pacific University, Linfield, MIT, Northeastern University, Cal State San Marcos, Mira Costa Community College, West Point and many more....

MONEY FOR COLLEGE

Cal Grants for Fall 2008: Applications due March 2nd

Cal Grant awards are state funded monetary grants given to low- and moderate-income students to help pay for college expenses. The program guarantees college funding for any California high school senior who meets certain academic and financial requirements. The best part for your students is that it is free money! The renewable grants do not have to be repaid and they can be used at public, private, vocational two and four year schools in the state. Plus, students don't have to be at the top of their class to qualify.

Students applying for Cal Grants must complete and file a Free Application for Federal Students Aid (FAFSA) after January 1, but no later than March 2, 2008. The FAFSA is also the application used to apply for federal financial aid programs, including the Federal Pell Grant. FAFSA's can be completed online at www.fafsa.ed.gov. Since the Cal Grant deadline is also March 2, there is an advantage to filing online.

Cal Grant applications require you to also submit a Grade Point Average (GPA) Verification Form including a GPA verified by the TPHS registrar, Andy Shephard. For Cal Grant purposes all GPA's are *unweighted*. You may obtain the form from the registrar or by downloading it from the Cal Grant web site, www.csac.ca.gov. Check this site for the income ceiling chart to determine your family's income eligibility: CA Student Aid Commission, www.csac.ca.gov.

INTERESTING AND NEW, DID YOU KNOW FACTS

Did you know that as part of the USC admissions process they now have hired people to research applicants MySpace and Facebook accounts? They are checking the sites to see if the applicant is someone they would like admitted to their school. So parents, make sure to review your student's pages on these sites or at least let them know that it could affect their admissions chances. If USC is checking, then most likely other schools are checking as well, so think before you post!

Also, did you know that starting July 1, 2008 the California State University system will now recognize Career/Vocational Education classes (CTE) such as Auto Tech, Drafting and Culinary Art for admissions purposes? Meaning grades for those classes will now be counted as part of the grade point average for admission. Therefore, when selecting your courses for next year don't be afraid to add one of these courses to your schedule. If you have an interest in it, go for it!

The Many Ways
to "Use" the Library!

In addition to using our wonderful campus Media Center facilities, students are using the Library if they use any of our "Research Links" from home. All these resources http://access.gale.com/torrey_pines/, including our online catalog, (OPAC), are available 24/7. According to our statistics, students use our resources frequently at school and at home.

In a period of three months, students performed over 31,000 searches using Gale Cengage (12 online subscriptions), over 123,000 OPAC searches (online catalog), and others for a total of 155,829 searches. In the same three month period, the Library Media Center logged 37,574 patron visits! This includes during class time, before school, break, lunch, after school, and extended hours.

Our Library extends far beyond its four walls to give your students some of the *best* available Internet websites. Teachers note that students using our websites find much more in-depth and valuable research.

Dollars for Scholars Provides Scholarships for Torrey Pines Seniors; Applications Available This Month

Dozens of Torrey Pines High School seniors will receive thousands of dollars in scholarships this year for use in their post-high school studies, thanks to the efforts of Torrey Pines High School Dollars for Scholars (DFS). Applications for the 2008 DFS scholarships will be available in the TPHS counseling office or can be downloaded from the TPHS web page (www.tphs.net) beginning February 7th. All applications are due on Friday, March 7th and will be collected in front of the gym during lunch.

Last spring, 73 Torrey Pines seniors were awarded a total of \$57,500 in DFS scholarships, the largest cash distribution ever awarded by the Torrey Pines chapter. These accomplished recipients were recognized for an array of academic and extracurricular achievements, including participation in the arts, sciences, athletics, community service, and outside employment.

Students interested in applying for a DFS scholarship must complete the application package and provide details of their academic and non-academic extracurricular activities, a brief essay and two teacher recommendations. Each applicant must have a minimum 2.5 GPA. Applicants remain anonymous until finalists are selected. Finalists will participate in group interviews in late April. Scholarship winners will be notified and invited to participate in the DFS awards ceremony scheduled for Wednesday, May 21st.

Dollars for Scholars is a non-profit organization that works year-round to raise scholarship funds from local businesses, foundations, government agencies, service organizations and individuals, as well as from the proceeds from the sale of the Torrey Pines High School Student Directory. All community funds raised are distributed as scholarships. Interested donors are encouraged to contact TPHS Dollars for Scholars President **Leslie O'Leary** at 858-259-1556 for further information.

TORREY PINES HIGH SCHOOL SITE COUNCIL

By Rick Ayala, School Improvement Program Coordinator

The Site Council met on December 4. **Mr. Killeen** was in attendance and he reported on our recent WASC visit. Mr. Killeen noted that the visit went well. The WASC members commented on the positive attitude by students. Mr. Killeen was optimistic that TPHS would receive a six-year accreditation.

Mr. Killeen also reported on our upcoming Challenge Days and our new online registration process.

The Council approved seven proposals totaling approximately \$18,000. Approved items included computer software and hardware, funding to assist needy students, AVID library materials, laptop computers, reading lab books, a teacher workshop, and AP study guides.

The next Site Council meeting will be on Tuesday, February 5 in room 205 at 2:45 p.m. If you'd like to become involved with Site Council, please contact **Rick Ayala** at rick.ayala@sduhsd.net.

Torrey Pines Recycles!

And you can join the effort!

Every Friday of the year, **Key Club** is responsible for recycling paper, bottles, cardboard, plastic and cans from each classroom. Teachers put their blue recycling bins in the hall and Key Club comes by to empty them. The club uses the money they earn from recycling to give back to the community in another way and to partially pay for the Key Club district convention trip to Sacramento. Key Club also collects old ink cartridges, and a drop box is located outside B103 in the Media Center.

The **Interact Club** is collecting old cell phones and ink cartridges in conjunction with Club Green. Please bring them to room 213.

Club Green meets in room 60 at lunch on Tuesdays. They are working with the Interact Club to collect old cell phones and ink cartridges. Items may be given to club members or put in **Ms. Ochendusko's** box.

The **Home Ec. Dept.** is collecting fashion, cooking, and Interior Design magazines for class projects. They would also like the magazine *Health*. A drop off box is located outside the Home Ec. Building.

Pam Brand is collecting canned beverage pull tabs to support our local Ronald McDonald House, which the program describes as "a 'home away from home' for families of children with serious illnesses who are undergoing treatment at nearby medical facilities." Look for the Ronald McDonald House collection box outside B-103 in the Media Center.

Senior To-Do List

- February 7** - Dollars for Scholars applications available in counseling Office
- February 9** - Winter Formal (not a "Senior Only" event, Balboa Park's Hall of Champions, 8:00 - 11:00 p.m.)
- March 7** - Dollars for Scholars applications due, and will be collected in front of the gym during lunch.
- March 8** - Senior Boat Dance, San Diego Harbor Excursions
- June 12** - Graduation, 4:00 p.m., Stadium. No tickets required.

Check out the World Languages Tutoring Center!

For times, dates, and subjects available, go to www.tphs.net > Departments > World Languages > Additional Help.

For more information contact **Greg Balden** at greg.balden@sduhsd.net.

Torrey Pines Job Board

The Torrey Pines Job Board is located above the drinking fountain by the Counseling Center. Jobs in our community are posted frequently for any student looking for employment. These are paid jobs requiring a Work Permit (available from **Jim Anthony** in room 402). Internship opportunities are also available. Students needing more information can contact Jim Anthony, Work Experience/Internship coordinator, in room 402.

The Torrey Pines Job Board is NOT used to post babysitting, tutoring or any "under-the-table" paid positions.

Notes from the Music Department

The Music Department is sponsoring an Orchestra Master Class with San Diego concertmaster Jeff Thayer in the Lecture Hall from 2:45 - 4:45 p.m. on February 20th. All students are welcome.

Parents are invited to attend a **Wine Party**, Sunday, February 10, 2008 at the Pacific Athletic Club from 5 to 7 p.m. Admission is a bottle of wine valued at \$35 or more. Wine donated at this party will be auctioned during the online auction beginning February 15th on the Foundation website www.torreyppinesfoundation.org. For your convenience, wine may be purchased from *Fumar Wine & Cigars* in Del Mar. Call Fumar at (858) 350-7561 or stop by the store located at 1342 Camino Del Mar, Del Mar. Fumar will store the wine for the auction event. The TPHS Foundation would like to thank the *Pacific Athletic Club* and **Pete and Micki Jones** for generously supporting all students at Torrey Pines by hosting this party. Please join us for a pre-event toast!

PUMP UP THE VOLUME Dance & Auction MARCH 15TH AT THE BELLY UP in Solana Beach....

This will be an outrageously fun-filled event that can't be missed! *Atomic Groove* is a sure bet to keep us on our toes. NBC/Channel 7 morning news anchor **Bill Menish** will take control of the live auction. Exciting tropical trips, dining and entertainment will be available for auction. Invitations will be hitting your mail boxes in early February. Don't miss out on this casual **jeans required night** – return your RSVP without delay!!!

SPEAKING OF JEANS... Buy your jeans for the Belly Up event and support TPHS at the same time. Shop *Physique Boutique* (Juicy Couture, Jeans, Jewelry – A Denim Warehouse!) at Torrey Pines High School, **Wednesday, March 5th from 5-8 p.m. in room 401**. A portion of sales will benefit the March 15th event. Questions about the merchandise? Contact owner Alyson James at PhysiqueBoutique@hotmail.com.

The **2008 Grad Nite** Committee has begun plans for the June 12th Grad Nite celebration. **Linda Welker** is chairing the all night party to be held on campus for the 2008 graduates. The parent volunteers met on January 9th to discuss committee plans and activities.

Party information and sign-up forms will be mailed to parents of every senior student within the next few weeks. Forms are also available at the TPHS Foundation website under GRAD NITE. Freshmen, Sophomore and Junior parents are especially needed to volunteer on Grad Nite committees and to carry on the tradition of an on-site party. The next parent meeting will be February 7th at 6 p.m. in the College and Career Center.

ANNUAL RUMMAGE SALE

It's time to clean out your closets and garages and donate these items to a great cause! This year's Rummage Sale will take place Saturday, April 19th from 7 to 11 a.m. in the front staff parking lot of the campus. Donated items can be dropped off Friday, April 18th between 4 & 7 p.m. Proceeds will benefit participating TPHS Foundation Booster Groups. This fun community event will include music by Wilsound, coffee, VG's donuts and many bargains on gently used treasures. **Dave Hysten**, TPHS Foundation Board Member is chairing this year's Rummage Sale and welcomes all to participate.
