## Prom Tips for Parents

From Principal Brett Killeen

It's already that time of year! Prom time! The Prom is scheduled this year for Saturday, May 17, at the Bahia Hotel, Mission Bay, 8-11pm. We've had years of smooth and successful dances, making a fun and safe environment for students to celebrate their achievements for the year. For moms and dads, this is a time to exercise the "trust but verify" approach to parenting to help us host another safe year's dance: *You can and should trust your teens, but you must still ask questions to verify their plans for the night.*

Here are some pointers for parents to reduce – and hopefully eliminate – alcohol use and bad decisions:

- 1. Allow no more than eight teens in a limo.** Limiting the number increases your chances of knowing each student and his or her parents, and putting your kids in a comfortable situation because they are with friends, rather than strangers. Limo busses are not a good idea. Please be aware that students often decide to stay on the bus and not disembark at the prom, leaving them for several hours without supervision.
- 2. Limit the group to good friends and acquaintances.** Non-students are not allowed to attend unless they've completed a guest pass application that has been approved. Guest pass applications and infor-

mation can be found on the TPHS website.

- 3. Inspect the limo before you let your kids get inside.** Many limos come fully stocked with alcohol. Do not allow students who have not bought a ticket to ride in the limo.
- 4. Do not have alcohol present at the pre-dance event.** This means no alcohol for parents and guests as well. This is simply modeling good behavior. Remember, the evening belongs to the kids; it is not your event.
- 5. Require a written itinerary for your group.** Where they are dining, when they will get to the dance, when they will be picked up, where they are going after the dance, and where and when they will be dropped off at the end of the evening. Be aware of what is happening after the event. If students are participating in after-dance events, know what the plans are, where the students will be and who will be present to supervise.
- 6. Meet with the limo driver, students and parents at the pick-up spot.** Make sure all students and parents are present as you explain your expectations. Make certain the driver has the written itinerary, and make it clear that you expect the itinerary to be followed. The driver is working for you, not for the students. Do not give the driver the final payment until you meet at the end of the evening.

- 7. Suggest the specific neighborhood that is acceptable for dinner.** Areas for trouble in the past were restaurants in Pacific Beach, Mission Beach and the Gas Lamp District. Suggested locations where we've had little or no trouble include Del Mar, Rancho Santa Fe, Solana Beach, UTC, La Jolla, Carmel Valley and Coronado.
- 8. Do not allow "just driving around" in the limo.** Nothing is accomplished by this, and it tends to be the time when trouble is most likely to occur.
- 9. Be aware that we will be randomly testing students at the door with a breathalyzer.** Any teens showing signs of alcohol consumption will be excluded from the dance, and a parent or guardian will be called to take them home. School consequences for this infraction of our Discipline code include suspension and expulsion.
- 10. Make sure you talk to your teens when they come home after the dance.** Spend some time talking about the evening and making sure they came home safe, sound and sober.

### Torrey Pines Students Take a Ride on the Stock Market Rollercoaster

With enthusiasm the students in **Carol Carrillo's** Algebra II/ Trigonometry Honors classes dove into the Stock Market Game sponsored by Wachovia Securities. Senior Vice President **Bob Wolter** introduced the classes to the 10 week game, which is played nationwide by thousands of students in grades 4-12. The students monitored their stocks on the Internet. Each team started with a virtual cash account of \$100,000. Within a short span of time the team comprised of **Jonathan Fuller, Nealansh Gupta,**

**Naveen Krishnamurthi, Pranee Mylavarapu, and Sharad Vikram** shot to the top. As the market took a tumble, their overall standings dropped. **Nealansh** remarked, "It's a risky game. Some of it is based on the probability of stocks." Shortly thereafter, the team composed of **Julia Colley, Nina Flowers, Jonathan Grundman, Megan Morgan, and Avril Prakash** were riding the crest of success. Using the Internet to research and evaluate stocks, the teams traded common stocks and mutual funds from the NYSE, Nasdaq, and AMEX exchanges. Furthermore, they earned interest on cash balances and paid a commission on all trades. At press time, the game was still ongoing, and we wish all our students well!

## TORREY PINES HIGH SCHOOL SITE COUNCIL

By Rick Ayala, School Improvement Program Coordinator

The Site Council met on March 4.

Mr. Killeen announced that TPHS received a six-year accreditation, the maximum term given, following our recent WASC visit. A WASC committee will return to TPHS in three years for a follow-up visit. Mr. Killeen also informed the Council that Ken Noah has been selected as our new Superintendent. Mr. Noah has been a Superintendent in the Gresham-Barlow School District outside of Portland, Oregon.

The Council again discussed the Governor's proposed state budget and a possible 10 percent cut in state funding for all programs. The budget shortfall may result in slight increases in class size.

The Council approved one proposal for \$353. This money will go towards the purchase of books that will be used to promote reading fluency.

The next Site Council meeting will be on Tuesday, May 6.

### TP Hip Hop Club Has all the Moves!

The Hip Hop Club has been a Torrey Pines High School tradition for many years! It is a club made up of dedicated Hip Hop dancing students who organize in September. This is a completely student-run team! During football season, the Hip Hop club practiced twice a week for two hours each practice. They put together routines for Falcon fans to enjoy at halftime during home games. Their club's organizers, current TPHS students, choreograph their own routines and music for those routines. Since football season, the Hip Hop Club has still been going strong! They practice once a week for two hours. They just did their last performance for the year at a recent Varsity Men's Basketball game during halftime.

### Marketing Classes Put Theory into Practice

TP Marketing classes, in conjunction with the TP Marketing Club, used their business skills to help improve the quality of life for an entrepreneur half way around the world. After researching opportunities to make a loan to a 3rd world entrepreneur through [kiva.org](http://kiva.org), the students elected to help Sammy Fianu. By collecting loose change, they were able to fund a loan of \$25 to Sammy, who lives in Ghana and makes his living selling fish. The students' loan partially funded the amount Sammy needed to "buy fish in bulk at a discount and stop using credit to buy his supplies." Sammy hopes this will increase his profits and that he'll be better able to provide for his wife and four children. The repayment term of the loan is monthly for seven months, and the students will reinvest the money in new loans.

Bravo to the Marketing students for choosing to make a difference in the lives of others!
