Challenge Days Return to TPHS

by Shaina Conners (12), President of Challenge Day Club and
Ashley Graver (12), Vice President

Challenge Day '08 is a powerful, high-energy program in which youth and adult participants are guided through a series of experiential learning processes. The overall goals of the program are to increase personal power and self-esteem, to shift dangerous peer pressure to positive peer support and to eliminate the acceptability of teasing, violence and all forms of oppression. Challenge Day programs are designed to unite the members of the school and/or community to empower them to carry the themes of the program back to the greater school population. Challenge Days successfully address the issues of violence, teasing, social oppression, racism, harassment, conflict management, suicide, peer pressure, alcohol and drugs.

Challenge Day was first introduced to Torrey Pines High School in the winter of last year. It took place for three days with a hundred students and twenty volunteers who helped out each day. After the very first day, the impact made on campus, through the students, was astounding. The school buzzed with word of the incredible program, which turned out to be life-changing in some cases. Students were able to see their peers and fellow teachers with their "guards down" which made the atmosphere very inviting

and allowed them to open up to complete strangers. One student wrote that, "It made me think about who I was as a person and who I truly want to be. I cried more than I have in a while with people I didn't even know before this day, but now I feel that I can turn to anyone on my campus that participated, because we are like a family." At Torrey Pines High School it was evident that the students felt very enthusiastic about participating in Challenge Day. We are very excited about hosting Challenge Day '08' for the students who have not yet experienced this program. This year we are hosting Challenge Day on campus December 8th, 9th and 10th. Participation forms for the program were available in the counseling office and needed to be turned in as soon as possible, as space filled up fast. The only people who were not eligible for participation were those that attended Challenge Days at Torrey Pines last year.

Here's what some of last year's participants had to say about Challenge Days:

--"I know a few people who went to challenge day saying, 'I'll try not to laugh.' That's a little rude and inconsiderate. I want to tell the people who got up and said something about themselves that was either

good or bad, you guys are brave. You're the best. Challenge day, I believe, really changed the way I look at other people now. I think about what they're going through. I look at the INSIDE rather than the OUTSIDE of others because that's what matters most --what's inside. Thank you to all the adult facilitators. You guys were AWESOME. I love challenge day. ♥"

--"I had my first challenge day today and honestly it changed the way I looked at everyone around me. I've never felt like an event like this could change my life in such a way like it has...Corny I know, but if you've been carrying around an emotional burden and you suddenly realize you're not the only one, and those other people are willing to listen, it makes you feel like everything's going to be alright after all. If only our parents and leaders could all go through this, the world and the family would be a MUCH better place."
-- "Challenge day was everything I expected and more."

Get to know.... Assistant Principal Milan Perisic in his own words...

“My favorite aspect of being an assistant principal... is working directly with students and helping them to achieve academic success.”

This is my second year as an administrator at Torrey Pines High School and I look forward to another fantastic year. My experiences here last year confirmed my beliefs that TPHS is an outstanding high school with some of the most talented and dedicated students anywhere. There is real sense of pride and tradition among our staff and students. I also feel that there is a healthy competitive environment that will challenge students to achieve even greater heights of academic and extra-curricular success.

Over the summer, we experienced some changes in our administrative team. I'm glad to have Mr. Robert Coppo and Mr. Garry Thornton joining me as fellow assistant principals. As a result of these changes, my responsibilities have changed slightly this year. I will be working closely with the Counseling staff to provide students with effective counseling and scheduling services as well as to support students in selecting and applying to colleges. One of my other key responsibilities is to oversee the registration process and creation of the Master Schedule. Finally, I will serve as administrative liaison to the Business and Technology departments and English Language Development program and promise to work with our teaching staff to assure that we are meeting the learning needs of every one of our students.

My favorite aspect of being an assistant principal, however, is working directly with students and helping them to achieve academic success. I enjoy providing support to our students through counseling, mentoring and discipline, when necessary. I will be working specifically with students whose last names begin with A-G, but I hope to get to know as many of our students as possible. I feel we've had a successful opening to the school year, and I'm excited about many of the events coming up this year, such as Challenge Days, Choices Night and Senior activities just to name a few.

Go Falcons!

Principal's Corner BY BRETT KILLEEN

Dear TPHS Parents,

We are bringing back Challenge Day to TPHS in early December and we NEED YOU to make this program the huge success it was last year. Challenge Day is a nationally recognized day-long program, facilitated by professionals and designed to bring students together, break down barriers and create a more positive and supportive campus environment. This program came, for the first time to TPHS last year, and both students and faculty absolutely raved about its positive impact.

The program will run for 3 days, December 8, 9 and 10 from 7:45 a.m. – 2:30 p.m. and will be held in the school gym. Breakfast and lunch will be provided. 100 students will participate each day, along with 25 adults, comprised of ten faculty and staff and 15 parents. The adults do not need any special training and will act as small group

facilitators throughout the day. Adults will participate in a short training session on the morning of the event and must be available from 7:15 a.m. – 2:30 p.m. Parents and their students may participate on the same day, although they will not be together in the small group activities.

Participating as an adult volunteer and facilitator for Challenge Day is a rare and wonderful opportunity to learn more about the community and culture our children live in each day throughout high school. Many of us are caring and involved parents who are well aware that, try as we may to stay connected, there is much we do not know about our teens, their lives and how they feel. Challenge Day helps students broaden their perspective and become more tolerant, accepting and understanding of others who have different backgrounds and life experiences. Without exception, both students and adults who have participated in Challenge Day have been enriched by the experience.

Once again, WE NEED YOU to become a part of this wonderful program by becoming an adult participant on one of the three dates in December. We cannot bring this program to TPHS or accommodate 100 students each day without adult volunteers. If you are unable to participate for the entire day, but would like to help out with registration in the morning or at lunch, we would welcome your participation as well.

Please contact Shari Sapp, parent volunteer coordinator, at sappsharilynn@aol.com or 858 756 9045 if you would like to help.

Thanks so much for your interest and commitment to our students and community. We look forward to sharing this special experience with you.

Very truly yours,

Brett Killeen,
Principal

accolades & Appreciation

Congratulations to **Alan Cai (12), Parker Clark (12), and Dorian O'Leary (12)**, who received a Certificate for Superior Writing from the National Council of Teachers of English Achievement Awards in Writing. Only 97 certificates were awarded throughout the entire state of California!

MaxPreps Holiday Basketball Classic is coming to TPHS on December 26, 27, 29, and 30. Come watch our **Falcon Basketball team** compete with 75 other high schools from across the country! Time TBD.

Congratulations to the staff of the **Falconer**, which is a finalist for a national Pacemaker Award. It's the Pulitzer of high school journalism!!!

Math teacher **Abby Brown** and seniors **Edward Zhu, Helen Papadopoulos, and Austin Pogue**, presented at the International *Mathematica* User Conference in Champaign, Illinois. The team from the TP Advanced Topics in Math II class shared their work with mathematicians, scientists, and computer programmers from all over the world as invited keynote speakers. Attending the conference was also quite enjoyable as the students learned about mathematical applications in biology, chemistry, the economy, and art. The trip also included a tour of University of Illinois' National Center for Supercomputing Applications (NCSA).

Congratulations to **Devyn Howard (11)**, who was recently named as one of only 25 **2008 California Super Teens** by Next Step Magazine. This award recognizes high school students from across the US who are making an effort through volunteering, clubs, websites etc. to make the world a better place. Devyn's work in the field of raising awareness about Global Warming, by creating her own Global Warming Awareness website, volunteerism, and her position as President of "The Green Team-TPHS Global Warming Awareness Club" is the reason she was selected.

Photo by Bob Howard

In early November **Eric Guan (11), Vivek Bhagwat (12), Math teacher Abby Brown, Carina Cheng (12), and Tara Wu (12)** presented at the California Mathematics Council – South Annual Conference in Palm Springs, California. Introducing *Mathematica* to teachers from throughout the state was exciting for the students as they also were able to share their own projects and interest in mathematics. Upcoming opportunities for the Advanced Topics students include more presentations in February and March. All students in Brown's classes will be showcasing their work at the annual Advanced Math Open House in May.

Please congratulate **Evelyn Jiang (9)** and **Ting An Kuo (12)**, who auditioned for the All-Regional Choir and made it! They

^ competed against students in all of southern California and they are the first to represent Torrey Pines in the **All-Regional Choir!** Bravo!

Shown here are **Krystal Liu, Michelle Chow, Belinda Sztrom, and Nadia Farjood**.

Special thanks to **Irene Cheng, Sr. Class President**, and her committee for organizing the recent senior activity to Haunted Trails in Balboa Park. Approximately 40 seniors enjoyed this new event for TPHS! Seniors, more fun is being planned, so stay tuned for Senioreed Out, Laser Tag, Bowling, and more!

The **Torrey Pines High School Choir** participated in the first annual San Diego Women's Choir Festival. Choirs from San Diego and Orange Counties participated and were critiqued by professional choral conductors and composers. This was a great experience for our students. It was their first performance of the school year and it provided a chance for us to listen to other quality choirs. It was a fun way for the students to kick off the 2008-2009 school year.

Parent Volunteers in Action!

Come join the newsletter distribution day fun!

Newsletter Distribution Committee Co-Chairs
Danielle Smith and Minsup Yun

Future dates are:
1/29, 2/26, 3/26,
4/30, and 5/28.

Brennan Dean, PALs Advisor, **Enrique Camarena, Jr.**, and Principal **Brett Killeen**

Enrique Camarena, Jr. was featured speaker at Red Ribbon Week Assemblies on October 30th

Telling his father's story, **Enrique Camarena, Jr.** shared the story of the bravery of those fighting the continuing war against drugs and the origins of Red Ribbon Week with TP students.

For more information on Mr. Camarena's message and available scholarships for high school seniors, please visit www.camarenafoundation.org.

Counseling Corner

By Jayme Cambra
Head Counselor

December, 2008 - January, 2009

Grade Level Presentations

Now that we have completed our 12th grade and 9th grade class presentations, we are looking forward to meeting with our sophomores in December and our juniors in January. In these class presentations we discuss the following information with our students:

- High School graduation requirements
- Post High School Options
- College Admission requirements
- College Admission testing requirements and dates
- Our NAVIANCE college and career program
- How to get involved in school activities

Please be sure to talk with your students about the information they have received during these grade level presentations. We will also post the Power-Point for each presentation on our website under the counseling link, then click on high school.

Seniors

By now many of our seniors have applied to colleges or are finishing up their college applications. We look forward to learning about their acceptances in the spring!

Mid- Year Reports

Private colleges/universities and some public institutions require mid-year reports, or 7th semester grades, as soon as semester grades are out. Seniors need to give mid-year report forms and pre-stamped, addressed business-size envelopes to their counselor during the month of January so that the transcripts and updated counselor reports can be sent in time. Remember, the first five transcripts are free; additional requests cost \$5 each which seniors will be asked to pay for during their senior check out activities at the end of the year.

Challenge Days

We are excited to announce that challenge days will return this year! We are hosting this exciting event on December 8th, 9th, and 10th in the TPHS gym. The vision of the Challenge Day program is "that every child lives in a world where they feel safe, loved and celebrated." Our PALs program is working hard to prepare our student body and school facilities for this 3 day event. We had an incredible response from our student body last year and look forward to another effective school wide program this year.

Attendance 24 hr. number

(858) 481-0950

TP's Avocado League Results!

Torrey Pines has been very successful in our first year back in the Avocado League! Congratulations to

**Boys Cross Country
Girls Cross Country
Field Hockey
Girls Golf
Girls Tennis
and Boys Waterpolo**
who have all won

Avocado League Championships!

Girls Tennis has won CIF for their 19th year in a row!

Boys Cross Country, Girls Cross Country, Field Hockey, Football, and Girls Volleyball are still in CIF Play-offs at press time!

GO FALCONS!!!

A Valuable Partnership: Working With SDPD to Ensure Student Safety

Since the start of the school year, Torrey Pines administration has been working closely with local San Diego Police officers to improve the enforcement of daytime loitering laws in the community. As many parents and students may or may not know, Municipal Code 58.05 states that "all students must be in school or at home during the hours of 8:30 a.m. and 1:30 p.m. on any day when school is in session for that student." There are some specific exceptions to the law, and at times this has caused some confusion for students, parents, TPHS administration and local law enforcement. The intent of the law, however, is clear: to ensure students are in school, and to keep neighborhoods safe. To ease the confusion and ensure the safety of the students and community, TPHS administration has implemented a new system for students with off-campus classes and/or unscheduled periods that will quickly enable local law enforcement to determine whether a student is off campus for legitimate reasons.

All students who have an unscheduled class or have an off-campus class (Surf PE, for example) are now required to have a school-issued schedule in their possession whenever they are off campus. If in the event a student is stopped and questioned by SDPD while off campus during the school day, they can simply present the schedule and their school ID to the officer so that he or she can quickly verify that the student has permission to be off campus. Students who are not in possession of their schedule and school ID, or who are off campus without permission may be cited by officers and returned to campus. While it will be the responsibility of the student to make sure they have the proper identification on them at all times, this extra step will help everyone involved make sure that students are where they need to be during the school day.

It is our hope that increased communication with local law enforcement, students, parents and the community will enable us to quickly implement this new system for all those affected. With a more streamlined system for ensuring that students are off campus legitimately, local law enforcement will have more time to focus on other issues, and the school can spend more time working to make TPHS the best school in the county!

TORREY PINES HIGH SCHOOL SITE COUNCIL

by Garry W. Thornton, School Improvement Program Coordinator

On Wednesday November 5, 2008, Torrey Pines High School held our School Site Council meeting. School Site Council approved the final draft of the Single Plan for Student Achievement after **Elise Ochenduszko** made her presentation. Again, the council would like to thank Elise and the SPSA committee members who invested their time and energy to create a plan, which will support learning for all students. Copies of the plan will be available to view on the school website in a few weeks.

The following members of the School Site Council were elected to serve as officers on the council for the 2008/09 school year: serving as President **Ron Rabens**, Vice President **Susan Johnson**, Secretary **Staci Ortiz-Davis** and Treasurer **Sammy Chang**. Congratulations to our officers, and we look forward to the leadership they will provide our council. Our next meeting is scheduled for Tuesday, January 6, 2009 in Room 203 at 2:45 pm.

TP Students Garner Awards at Journalism Convention

Mia Smith and her Journalism students have recently returned from the **Fall National High School Journalism Convention** in St. Louis. There were 2,191 participants in individual contests (out of nearly 5,000 students) from over 600 schools in 43 states. The following were our winners:

Editorial Writing -- **Taryn Elliott** -- Excellent
 Feature Writing -- **Allie Ferguson** -- Honorable Mention
 Review Writing -- **Marissa Minnick** -- Honorable Mention
 Copy editing/Headline and Caption Writing -- **Elizabeth Pieslor** -- Superior (highest possible)
 Newspaper Layout -- **Blake Faulkner** -- Excellent
 Newsmagazine Layout -- **Justin Sayarath** -- Excellent
 Literary Magazine Layout -- **Christine Auwarter** -- Superior
 Yearbook Student Life Photography -- **Amanda Yuan** -- Honorable Mention
 Photography Portfolio -- **Michael Chen** -- Superior
 Congratulations to **Mia Smith** and all her **Journalism Students!**

Art Boosters Needs YOU December 9th, 9:15 a.m. CCC

Looking for a way to get involved at Torrey Pines? Then Art Boosters is for you. We're looking for a few handy souls to help with fundraising. So if you'd like to support the arts at Torrey Pines or you've got a knack for organizing events (or both), we'd love to meet you December 9th at 9:15 a.m. in the College Career Center. Please send your questions and RSVPs to Kari at skfam5@san.rr.com or Carole at clarson5@san.rr.com. See you on the 9th!

Visitors from St. Madeleine Sophie's Center held a beading workshop with TPHS students

News from the Library Media Center

by Lisa Goldberg, Library Media Teacher

Numbers talk! Statistics paint a picture of how our teachers, students and our TP community are using the library facility, and its resources at school and remotely. Library Resources + Usage = Student Achievement. In the first 2 months this year (September and October):

- 311 classes have reserved the library or 13,062 student visits
- 22,800 TOTAL student visits occurred from early in the morning throughout the day
- 17,983 online searches were completed.

One online resource contains:

- 5,000 electronic (e) books online
- 100s of primary documents and timelines,
- 10,000 images and illustrations,
- 100 video clips are available online to read and capture for PowerPoint presentations
- 7,000 recommended and evaluation websites

Other online resources include (but not limited to):

- OPAC, (our entire library collection online) is complimented with nettrekker (**recommended** and **evaluated** websites correlated to keyword searches)
- Peterson's testprep books for CASHEE, ACT, PSAT, SAT, SAT II, AP, vocational and graduate schools
- Practice tests for the above exams with results entered in each student's folder
- 100,000s+ full-text popular magazines and academic journal articles in all subject areas at all reading levels
- 400+ reference books
- Podcasts, graphics and audio
- Oxford English Dictionary

- 7,583 reserved and/or circulating books
- 132 books and 9 DVDs processed and added to our collection
- 200 students attended the first 2008-09 Cutting-Edge Presentation series ("ordinary people doing extraordinary things)," met two founders of La Reserva Foundation, <http://la-reserva.org/>, "... a non-profit volunteer, educational and scientific charitable organization dedicated to the recovery of indigenous tropical forests in Costa Rica"
- 2700 bookmarks personally distributed to each TP student containing passwords to our online resources
- 300 bookmarks distributed to parents during special events and evening activities

Without the support and tireless efforts of the **Friends of the Library**, statistics would paint a much different picture. Help us continue to build on our success! Contact **Michael Tostado**, President of Friends of the Library, mtostad1@san.rr.com.

NHS Announces Membership for 2008-2009

by Matt Chess, NHS Co-Advisor

National Honor Society is pleased to announce its membership for the 2008-2009 school year. Membership in NHS is limited to Juniors and Seniors. In order to apply, students must have a 3.6 cumulative GPA or better and fill out a form that details their school activities, personal interests, community service, work experience, and leadership positions. They also write an essay that details one of the four pillars of NHS (character, leadership, scholarship and service) and how they relate it to their lives. A Faculty Council reviews all applications and selects the group using a 100 point rubric. Congratulations to the following students!

Class of 2009: Sogand Afzali, Chris Benassi, Amy Berman, Rodrigo Bravo, Alexandra Brzezniak, Danielle Butbul, Bora Buyuktimkin, Lucia Chen, Jenni-

fer Choi, Jordan Conger, Ariana Dadkhah, Sheridan Edwards, Loni Fuller, Gabriel Grinstein, Kim Ha, John Hanna, Emily Heaton, Catherine Ho, Thomas Hofman, Michael Hollenbeck, Allen Huang, Austin Hulse, Victoria Hung, Phoebe Kaufman, Francesca Lambert-Fliszar, Ben Levine, Lauren Levy, Jerry Li, XinYang Liu, Trevor Mells, Dorian O'Leary, Esther Pai, Oliver Pang, Michael Peng, Keshin Purohit, Jonathan Reading, Evan Rose, Justin Sayarath, Shelby Sims, Taylor Small, Joongyu Song, Belinda Sztrom, Kevin Tran, Eric Tsai, Mark Vismonte, Martin Wang, Zhikai Wang, Rebecca Warlick, Patrice Watson, Hayward Wong, Matthew Yanus, and Jessie Yu.

Class of 2010: Amin Aalipour, Dalia Adler, Jessica Brown, Ian Buss, Blake

Busse, Heidi Chang, Stephen Chen, Julia Colley, Michael Dashefsky, Brendan Davis, Trevor Derrett, Mollie Friedlander, Ilya Gaidarov, Patrick Galvin, Olivia Goldenhersh, Albert Gordon, Sally Gu, Eric Guan, Samantha Hardage, Amy Hassan, Laura Hein, Kevin Hsu, Prabhav Jain, Diane Jeon, Sunny Jeon, Katy Kelsoe, Paul Ko, Belinda Kraemer, Reid Kremer, Chris Kwon, Matt Lavis, Kaila Leck, Brenda Lee, Theresa Lee, Cindy Lin, David Lin, Chang Liu, JungHoon Liu, Stanley Liu, Ashley Lo, Jacqueline Lo, Evan McGahey, Marissa Minnick, Kaitlin Mohr, Chelsea Mumma, Joshua Netter, Sarah Orfield, Joo Young Park, Natalie Prusak, Kevin Qian, Samvit Ramadurgam, Aarthi Reddy, David Rosenthal, Colin Scott, Guhan Shastri, Matt Spelich, Leah Stamer, Weston Staubus, Madeleine Tayer, David Teng, Lynn Truong, Tina Vajdi, David Wachtel, Lezhi Wang, Christopher Wu, Ling Yeung, Caroline Yu, Junia Zhang, and Allison Zhao.

OCTOBER 14TH SAMMY'S NIGHT A HUGE SUCCESS!!!

Torrey students, families and friends came together to support the **Teacher Classroom Mini Grant Program** on October 14th at the Del Mar Highlands Amphitheater. So far this event has been a huge success bringing in \$26,000 toward our goal of \$32,000!

The entertainment was provided by Torrey Pines Jazz Band, Dance Team, Cheerleading Squads, and the TP Players Theatre Group. All students gave amazing performances!

A BIG THANKS to the many volunteers and to Board Members **Joyce Rabens, Julie Henry, Judy Rowles, Darylene Jacobs, and Brad Shoen**. A special thanks to **Sammy's Restaurant**, which generously donated the delicious food and services to help make the evening perfect!

Welcome New Falcons!
